A. O. Smith closing Tuesday

All production operations at the Granite City A.O. Smith Corp. automotive frame plant will cease tomorrow, a company spokesman in Milwaukee, Wis., told the Press-Record Friday, which was the final day for all frame assembly operations.

The local auto frame plant, a Granite City tradition and one of the area's largest employers since 1954, was dealt a fatal blow when the rising cost of gasoline reduced the demand for frames for full-sized cars. A.O. Smith here is tooled only to produce frames for full-sized General Motors autos.

The firm once employed approximately 1,400 workers, but the workforce had been reduced to about 650 when an April 8 strike by United Auto Workers hindered production. The strike was settled only recently.

Company officials said last month

Plant shutdown ends 26-year era of car frame manufacturing. Expect severe economic impact in area.

that the decision to close the plant, which was ratified by the firm's board of directors at Milwaukee, was due to the market conditions for full-sized automotive frames, and was not due to the five-month strike.

However, Jack Birchhill, director of public relations for the company, said the decision to close the plant, somewhat, by forcing an earlier evaluation of the plant's future potential.

It will be quiet in the 415,000 square-foot plant after the final motor is turned off tomorrow. Any noises made after

that will be the sounds of giant equipment being moved out of the building, to be put into service elsewhere.

Much of the equipment belongs to General Motors, which will reclaim it. Other equipment belonging to A.O. Smith will be moved to other Smith plants, or sold to competitors. The removing of equipment will continue through the end of October, requiring some maintenance employees.

A smaller number of custodians, security personnel and those handling the paperwork involved in terminating employees and closing the plant will

have a few more weeks of work than others, and then the plant truly will be silent.

The recession in the U.S. auto industry continues to affect financial results at A. O. Smith Corporation, officials announced Friday.

L. B. Smith, chairman and chief executive officer, said the company expects to report a loss in the third quarter, primarily because of reduced auto and truck frame volume and the Granite City plant closing in the Automotive division.

Except for the Consumer Products division, which is in the midst of starting up a new plant, all other non-automotive operating units are expecting profitable results for the third quarter, Smith said.

The expected third quarter loss, (Continued on Page 4)

Partney, Herbert enter 1981 GC race for mayor, treasurer

By GARY SCHNEIDER

Don Partney announced this morning that he is running again for mayor of Granite City and will run with Granite City firefighter William Herbert, 2212 Delmar Ave., candidate for city treasurer.

Partney opposed incumbent Mayor Paul Schuler four years ago and lost in a heated race. He told the Press-Record today he plans to outline a comprehensive program between now and the election next April which will show that he is the better choice for mayor.

Both Partney and Herbert, in announcing their candidacy, challenged their opponents to public debates on the

issues between now and the election.

"The announcement that Bill (Herbert) is running for treasurer may come as somewhat of a surprise to many, but I believe he is capable of handling the job and I am glad to run with him. I believe Bill has done a good job as president of the Granite City Firemen's Pension Fund, as well as when he was a secretary of Firefighters Union Local 253," Partney said.

Herbert said, "There can be no doubt that the city is in trouble. In order for us to overcome our problems, it will be necessary for each of us to become more involved in city affairs."

"As a firefighter and member of the firemen's pension fund, I have seen waste and inefficiency, especially in the last few years. In all good conscience, I can no longer sit idly by and watch our city continue on a downhill slide."

"Therefore, I am announcing my candidacy for city treasurer. I have never before aspired to political office, nor have I been politically active in the past, but now is the time for action."

"I believe I am capable of doing this job, and that I can do it more effectively. I want to help, as city treasurer, to pull ourselves out of the falling conditions we are in at this time."

"In order for the voters to be better informed on the issues involved in the city treasurer's race, I want to en-

courage all candidates for this post, including the incumbent, if he decides to run, to a series of public debates," Herbert stated.

In his formal announcement, Partney said, "Four years ago, as a candidate for mayor, I voiced my programs for improvements to the city of Granite City and lost a close election to the incumbent mayor. Surprisingly, many

of the issues which I raised were said to be impractical by the current administration and have now been adopted totally by the incumbent mayor."

"For example, four years ago, I was a strong advocate on bonding programs to finance new and existing industry. That suggestion was rejected by the

Girl beaten severely

Granite City police have a 22-year-old man in custody in connection with the brutal beating of a 17-year-old Ponton Beach girl in a vacant house in the 2000 block of Ohio Avenue early Saturday. The beating was so severe that the attacker believed the girl was dead when he left her, police alleged.

The girl also said she was raped and robbed of a ring and about \$12 cash.

The victim suffered eight wounds to

her head and face which required approximately 70 sutures to close. She also suffered numerous bruises and scrapes and a probable fracture to her nose, according to authorities.

Her attacker allegedly told police he took her ring and cash because he thought she was dead when he left her. He also threw her clothing on the roof of the house.

She said she had been to a party in

West Granite where she met several acquaintances, including the man who later allegedly attacked her. After the party, she agreed to walk home with him, authorities said.

They went to the man's home where the victim met his mother. Later, they went for a walk and the man took her into a vacant house where there were two mattresses on the floor.

She alleged he then held a pocket knife to her throat and threatened to kill her if she did not cooperate. She said she complied and contended he raped her while beating her repeatedly with his fists. She lost consciousness on several occasions.

The 17-year-old said that later in the evening, the man tore curtains into strips and tied her feet and hands to her neck. He then raped her again before taking her money and her ring and leaving. Police believe he left the house about 4 a.m. Saturday.

The victim lost consciousness and awoke at daybreak. She then kicked a window with her feet, breaking it, and started yelling for help. A neighbor heard her cries at 7:20 a.m. Saturday and investigated.

He told police he saw a face covered with blood in the window and he broke out the rest of the window and crawled in to find the victim maul and bound.

He returned to his house, called authorities and an ambulance, and then got his knife, returned to the vacant

Sister Thomas heads SEMC board

Sister Mary Thomas, CDP, president of St. Elizabeth Medical Center, was elected chairman of the Governing Board at its meeting Thursday.

The board also elected Dr. Leo Sachar to the position of vice-chairman, and re-elected Mitch Milonski as secretary-treasurer.

Sister Thomas has been with the medical center for 20 years. She has

held the position of president for 18 years. She received her bachelor's degree in nursing from St. Louis University in 1958 and her masters degree in Hospital Administration in 1960 from St. Louis University.

She has been with the Order of the Sisters of Divine Providence since 1946. She succeeds Leo Konzen in this position.

Dr. Leo Sachar, a St. Louis surgeon who has been on the Governing Board of SEMC since 1972, will be the first physician to hold the position of vice-chairman of the board. With his election to this position he is in line for the chairmanship. He has been on the SEMC Medical Staff since 1955.

Mitch Milonski has been with the

REMINISCING. Left to right: Edgar and Grace Paddock of Granite City reminisce with Harry Fender on WSIE-FM (88.7), the radio station at Southern Illinois University at Edwardsville. The Paddocks and Fender were among more than 2,000 participants attending the annual Senior Citizens Fair on the University

campus. The day's activities included informational tables, hobbies and crafts, free hearing tests and glaucoma screenings for the seniors. During the afternoon the seniors were able to dance to the strains of the Frank Cherry Orchestra and listened as Fender broadcast live from the Meridian Ballroom.

Required teacher raises are vetoed

Governor James R. Thompson has vetoed a bill to require annual minimum salary increases for teachers in Illinois, except in Chicago.

House Bill 3153 would have required yearly increases equal to the average percentage change in teachers' salaries statewide for the preceding year.

In affixing his veto, Thompson said, "This required annual adjustment would limit the authority of local school boards to establish salary schedules based on local finances and regional cost-of-living variations."

"It also created a new minimum salary classification for teachers with a master's degree and 180 semester hours and required school districts to include all certified school employees on the salary

schedules establish for certified school employees on the salary schedules established for certified teachers."

"These provisions eroded local control over personnel decisions. In addition, the Chicago school district was specifically excluded from provisions of Bill 3153, while all other school districts in the state would have been forced to comply."

"I am concerned that the automatic nature of the increases in minimum salary levels would lock the state and the school districts into escalating personnel costs without consideration of regional economic differences or the financial health of the state and local districts."

"Also, the effect of this legislation could be to force an inequitable distribution of

state dollars among school districts, since salary levels vary greatly across the regions of our state."

The governor said the legislation would cost the state an added \$23,500,000 from the Common School Fund over a five-year period, a cost unlikely to be offset by equal decreases in other areas of elementary-secondary school funding. He stressed, however, that since the yearly cost of the adjustments was cumulative, the total cost potential was unknown.

In other actions, the governor: Approved House Bill 3498, which provides for state grants to college teaching laboratory schools from the Common School Fund beginning in the 1982 fiscal year.

Approved House Bill 3127,

allowing elementary and high school districts to increase their maximum educational tax rate from \$3 to \$3.50 per \$100 of assessed valuation with referendum approval.

Applied an amendatory veto to House Bill 1002. As passed, the measure would have given a one-time increase in benefits to retired teachers who retired in 1976 or before. The governor amended it to include an increase only for those who retired in 1971 or before. "This will help those who need it the most," he said. The cost will be \$5.7 million in the first year, beginning Jan. 1, 1981, if the General Assembly agrees.

Judge DeLaurenti seeks to be retained

Circuit Judge John L. DeLaurenti of Bond County will be on the Nov. 4 ballot for all Madison County and Third Circuit voters to consider for non-partisan retention.

Bond County is a part of the two-county circuit which includes this county. DeLaurenti is required to seek a "yes" vote for retention in each county by obtaining a minimum of 60 percent of the votes.

DeLaurenti, 47, is the resident circuit judge in Greenville. He and his wife and four children reside on and operate a farm near Pocahontas.

He has had a long and active involvement in conservation activities, and he served on active duty in the Air Force as a pilot and navigator. Presently, he is a lieutenant colonel in the Air Force Reserve.

He previously had an appointment in the Federal

Bureau of Investigation, worked as a laborer in Local 677 of Pocahontas, and was on the staff of Germania Federal Savings and Loan of Alton.

DeLaurenti also has been in private law practice and served as Bond County state's attorney from 1968 to 1972. While in that office, he served on the managing board of the Illinois State's Attorney Association.

He also served on the board of directors of the Southwestern Illinois Law Enforcement Commission until his resignation in 1977.

DeLaurenti has been the resident circuit judge of Bond County since 1972, handling all types of civil and criminal cases.

He has also presided over a wide variety of cases in Madison County, on special assignment by the chief judges, frequently during the past eight years.

Gardening in October

By CHRIS DOLL

County Garden Adviser Fall has arrived and October is the month to enjoy the weather and the fruits of the season. In 1980, it is also a time of recovery from the summer's heat and to plan for the 1981 season. Here are a few suggestions for gardening for the next month:

Dig sweet potatoes and grow them in a plastic or growth is sufficient and soil is dry. Dry soil makes the job easier.

Keep crops such as broccoli, tomatoes, peppers, squash, beans, etc. growing until frost by killing pests as needed.

Clean up the garden as crops are harvested and add the vegetative materials to the compost pile.

Collect a soil sample for testing if a new site is planned. The results of a soil test should be returned to you within a month and soil treatments can then be made this fall.

Pumpkins and squash should be picked when mature. Leave the stem attached and store in a cool, dry room.

Raspberry foliage should be green and healthy. If your

planting appears otherwise, resolve to follow a spray program for disease control next spring.

Grape vines should also have green foliage at this time. Dry or dead leaves indicate a droughty site, low fertility, or disease infection. A good spray program during the summer is needed to keep the foliage healthy and give better yields of good fruit.

Pick and store apples. The best storage is a refrigerator, but any cool storage with high relative humidity is good. Fruits may be wrapped in newspapers, but placing in a plastic or poly bag in refrigerated storage works the best.

Harvest nuts. They should be collected, cleaned, and dried, and then stored in a cool room. If used for seed, the nuts may be planted in the ground this fall or else stored in moist sand or peat at cold temperatures over winter.

Watch for mouse activity in fruit plantings and storage areas. If runaways or chewing is seen, trap or poison them. If poisons are used, make protected feeding stations from tin cans or other devices that are not attractive to children or pets.

Enjoy the fall color of blueberry and blackberry foliage. Study the possibility of blueberries as a dual purpose crop in the landscape.

Dig up and pot a plant of parsley, thyme, rosemary, and other herbs for indoor growing for the winter. Harvest other herbs for drying.

Be prepared to protect frost-sensitive crops on frosty nights. The average first freeze for WSW Illinois is Oct. 25.

Divide and plant rhubarb if a new planting is desired.

Revival services at Nazarene Church

Evangelist Joseph Techau and his wife, Carol, who have been appointed missionaries to New Guinea, will conduct revival services at the First Church of the Nazarene, 4701 Highway 111.

The first service will begin Tuesday, Sept. 30 and continue through Oct. 4, at 7:30 each evening, according to the host pastor, the Rev. William H. Roddy.

Oct. 5, services will be at 10:30 a.m. and 7 p.m.

Rev. Techau presently is pastor of the First Church of the Nazarene in Belleville.

UW workers prepare for mid-October report meet

James L. Eisenbeis, United Way Campaign chairman said today that all systems for the campaign are now "Go!" and volunteers are "advancing on all fronts" following the organizational meeting for allocation of potential donors names.

Eisenbeis said the first public report meeting will be held the middle of October, giving the vice-chairmen time to get in some contributions and make a start toward meeting their campaign goals.

George Moore and Tom Thebeau, co-chairmen of Group A, have passed out their kits to all of their solicitors, who will make personal calls. In addition, Thebeau has 20 women under the direction of Mary Tarpoff, who will conduct telephone solicitation to some 600 small businesses who have not contributed in the past, but will be asked to help this year due to the loss of the funds from A. O. Smith and employees.

Dr. Joachim Bauer and Harley Davis, co-chairmen of Group B, have distributed all of their kits covering all professionals. Volunteers have been holding group meetings and following up with personal calls. Here again, professionals are being asked to carry a larger share of the load this year because of the A. O. Smith plant closing.

Christ Pashoff, group vice chairman of Group C, with responsibility for all governmental organizations and employees, has completed group meetings, distributed individual kits and is now following up to see that personal contacts are made promptly.

Eisenbeis says he is expecting increased donations from these organizations and employees to help fill the void.

Margaret Lee, vice chairman of Group D, seems to be way out ahead. She is

well organized, holding effective group meetings and has received excellent promises from most of the business firms she is responsible for, indicating that they are going all out to help make her quota, Eisenbeis said.

Robert Jackson, assisted by George Knecht, Group E, has solicitation organization well-timed and they have a head start on personal solicitation. Since they are covering industry, much is riding on their production. They are asking increased participation from the plants who are working and especially from the individuals who have a job earning money to give a fair share contribution which is one hour pay per month.

Several meetings in plants and at St. Elizabeth Medical Center have been set up for the next two weeks to contact solicitors, foremen,

supervisors, etc. in an all out effort to share the United Way concept. Eisenbeis advises everyone that the situation this year is urgent but says all volunteers have fine tuned their group to hit the target. Public reports will be issued starting in the next couple of weeks.

He reminds all chairmen, volunteer solicitors, and donors that he is asking for something extra this year and is not thinking about missing the goal.

Calculations indicate that the goal can be reached or exceeded provided everyone will contribute a bit more this year in order to fund all of the agencies.

Eisenbeis concluded that there is scarcely anyone in the area who does not use the services of one or more of the agencies at one time or other during the course of the year.

Baskin-Robbins to observe 12th year

Baskin-Robbins Ice Cream Store at Nameoki and Fehling roads—the place that has put the "happy" into birthdays in Granite City for 12 years—is inviting its friends and neighbors to celebrate its own birthday, according to the owner, Robert L. Jones.

The store will feature entertainment, balloons, bumper stickers, hats and coloring books to mark its

12th anniversary in Granite City.

Jones said the Baskin-Robbins clowns will be present during the observance which will begin Wednesday and continue through Sunday, Oct. 5.

Jones said specials will be offered at various times during the anniversary observance, including single-scoop cones at 31 cents, 31 cents off on quarts of ice cream, and a free sundae with the purchase of one.

"We greatly appreciate the Granite City Community for its support through the years," Jones said. "This birthday party is our way of thanking everyone."

Medical staff to elect

The St. Elizabeth Medical Center Medical Staff will hold elections for the 1980 term Tuesday at 6:30 p.m. at the medical center.

Dr. Donald C. Schnellmann, current chief of staff, will assume the position of past president of the medical staff.

Dr. Thomas F. Martin, current president-elect, will assume the position of chief of staff.

The other positions to be elected, president-elect and secretary-treasurer, will be voted by the medical staff that evening.

Dr. Felicia D. Koch is the current secretary-treasurer.

Door pulled off lounge; police holding suspect

Granite City police plan to apply today for a felony warrant against a 21-year-old Sorento, Ill., man, who allegedly tore the door from Corral Lounge, 3304 rear Nameoki Road, at 3:30 a.m. Sunday.

Off-duty Patrolman J.W. Apperson was working security at McDonald's Restaurant on Johnson Road near the lounge said he heard the lounge's burglar alarm sound and then heard squealing tires.

He checked the lounge's parking lot and saw a truck, with a chain dragging from the front fender, driving at a high rate of speed west toward Nameoki Road.

Apperson called for police help and he then went to Nameoki Road, in front of Pep Car Wash, and was able to stop the truck, which had just turned north on

Nameoki Road, it was reported.

Squad cars arrived and the truck and its driver were returned to the lounge's parking lot. Evidence indicated the chain on the front of the truck had been connected to the handle on the lounge door and there were marks allegedly where the tires had spun when the door was pulled off.

The driver said he had left his vest and \$8 in cash in the lounge at closing time, but intended to return the next day to get it. He denied pulling open the door. Officers entered the lounge and found a vest and cash inside which the driver identified as his, according to official reports.

The suspect was lodged in jail and detectives plan to meet today with a warrant officer for the Madison County state's attorney's office to seek a felony charge.

Church group plans bazaar

The Women's Society of World Service met last week at the Good Shepherd United Methodist Church, 3025 National Ave., to review plans for the annual bazaar.

Virginia Rainwater, president, said the bazaar, scheduled Nov. 8 at the church, also will include a turkey and ham dinner, served from 11 a.m. until 7 p.m.

Dinner tickets, costing \$4 for adults and \$1.75 for children, also will include dessert, Mrs. Rainwater said. The public is invited to attend.

Members of the society have been busy making various handcrafted items and a variety of decorative Christmas articles for the bazaar, the officer advised.

The Rev. John Reed has now assumed his duties as new pastor of the Good Shepherd United Methodist Church.

2 in truck arrested

John C. Hampton, 21, of 316 Sunny Shores Mobile Home Park, was charged with driving while intoxicated, improper lane usage, illegal transportation of alcohol and speeding (55 mph in a 35 mph zone) after police stopped his panel truck in the 2900 block of Madison Avenue at 4:35 a.m. Saturday.

Also in the truck was Stephen L. Mitchell, 20, of 1636 Primrose Ave., who was charged with illegal possession of alcohol in a vehicle. Police then discovered there were three warrants on file for Mitchell's arrest, alleging failure to pay three fines—a \$350 fine for driving on an expired license, a \$200 fine for driving while under the influence of alcohol or drugs, and a \$35 fine for failure to

have valid registration on his vehicle.

The warrants were served on him and both men were jailed.

An officer alleged seeing the panel truck northbound in the 2900 block of Madison Avenue, weaving from lane to lane and once crossing the center line. It stopped for the red light at 27th Street, but then sped off when the light turned green, the officer alleged.

After the truck reached speeds up exceeding 55 mph, the officer stopped the truck in the 2900 block of Madison Avenue and alleged the driver and passenger were attempting to trade seats when the officer approached.

He also alleged there were 10 cans of beer between the front seats, several being open.

Still have 8 trip openings

The Granite City Park District still has 8 openings for the three-day trip to Brown County, Ind., on the weekend of October 17, 18, 19. This is a new trip added to this year's program.

The group will stay at the Holiday Inn of Bloomington, Ind. On Saturday the group will visit Nashville, Ind., for the day. Nashville offers over one hundred crafts shops of all kinds and many displays of antiques and old fashioned craftsmanship.

The group also will visit 15,000-acre Brown County State Park. Sunday the group will depart Bloomington and tour the covered bridge area of South Eastern Indiana and return to Granite City approximately 5 to 6 p.m.

The price of the trip is determined by the number of people staying in the room. The round trip bus fare will be \$27.50 per person. Reservations may be made at the Wilson Park office. The fees for two nights lodging and the round trip bus fare must be paid when reservations are made.

Friday, Sept. 26 will be the last day to make reservations. Further information may be obtained at the Park District office at 877-3059.

BYCICLIST STRUCK

Nine-year-old Rachel Reutzel, 2454 Illinois Ave., escaped serious injury when a hit-and-run pickup truck struck her and ran over her left foot at 25th Street and Missouri Avenue at 4:20 p.m. Thursday. She said the truck, which had a brown top and tan body stopped after striking her and the driver got out, asked if she was all right, then returned to the truck and drove away. She was treated at St. Elizabeth Medical Center and was released. A 4-year-old girl passenger on the bicycle escaped injury.

Let contract for work on park district lots

The Granite City Park Board of Commissioners, at their regular meeting last week, opened bids for the oiling and chipping of three parking lots. These are the ice rink lot, park office lot and the parking lot at the West Granite City softball diamond.

Of the six contractors who picked up specifications for the bidding, only three responded with the E.J. Dougherty Oil Co. having the lowest bid of \$5,032.50. A breakdown of the bid shows \$3,195 for the oil needed and \$1,837.50 for the chip material.

Other combined bids were: DeLaurent Construction Co., \$5,289.25 and C.D. Peters Construction Co. with a bid of \$5,744.25.

On a motion by commissioner David Nolan the award was given to the low bidder, the E.J. Dougherty Oil Co.

In other business the board approved the minutes of last meeting and also the finance and treasurer's reports for the month.

It was noted that two of the tennis courts on Benton Street would be put back into service as soon as new fencing is installed. The two courts are not involved in the present resurfacing project. It was originally decided to close down the courts for the season due to the resurfacing, but due to the construction company being ahead of schedule it was decided to open the two courts for use until colder weather.

Harold Brown, superintendent of parks and recreation, reported that a 75 percent progress report was being compiled and would be sent to the Illinois Department of Conservation as an update on the park renovation program under a 1980 Lawson grant. The \$67,330 program includes the tennis court renovation and the replacement of Shelter Five in the park.

It was reported that a letter had been received from the Stoppokke Roller Rink that they are raising their fees for skating sessions to \$50 and their skate rental would be raised to 75 cents. The additional costs were approved by Board President George Sykes and the roller skating sessions have been included

Trailer and cargo stolen

A utility trailer, made from the bed of a pickup truck, was stolen from the rear of 1501 Edwardsville Road, it was reported Thursday by the owner, Mike Skaggs, 3801 Lake Drive, Lot 333.

Skaggs said the trailer contained items valued at more than \$800, including tools, five rods and reels, a tackle box and fishing items, two coats, barbells, three books, car ramps, furniture, clothing and games.

4 parked cars hit in Madison

Four autos parked in the 1600 block of Seventh Street, Madison, were struck and damaged by a vehicle operated by Dennis E. Caffrey, 28, of 5001 Lakeview Drive, Ponton Beach, at 7:35 p.m. Sunday.

The parked vehicles included a 1973 Plymouth, owned by Shirley A. Glass, 202 Kirkpatrick Homes; the 1972 Dodge of John A. Sealey, Collinsville, a 1968 Pontiac, owned by Roy G. Riddle, 4375 Highway 162; and the 1966 Cadillac of Teddy W. Waelz, 1652 Third St., Madison.

Police said Caffrey's vehicle was traveling east on Seventh Street and crossed over into the westbound traffic lane before striking the parked autos.

Caffrey was charged with careless driving.

More-the-Merrier potluck

Forty-three members attended the More-the-Merrier Senior Club's potluck dinner held Thursday at the Granite City Township center, 2060 Delmar Ave.

The group was led in reciting The Lord's Prayer by Grace Paddock, Martin Schultz, whose birthday was celebrated, led the pledge to the flag.

Mrs. Paddock, president, announced a township Supervisor Nelson Hagauer will sponsor an apple picking trip for seniors on Monday, Oct. 6.

A bus will leave the township building for Grafton, Ill., at 10 a.m. on that date.

Any senior citizen wishing to reserve a seat on the bus is being asked to call 877-8844.

The remainder of the afternoon was spent playing games and Mrs. Helen

Newland won a prize, donated by Mrs. Charlotte Smith.

Assisting in the kitchen were Eva Hansel, Georgia Butler, Evelyn Morgan, Nan Shone, Jennie Moody and Mrs. Newland.

BATTERY ALLEGED

David E. Buehrer, 18, of 3832 John Glen Drive, Ponton Beach, was charged in a complaint signed by a girlfriend, Anne Francis, 3205 Maryville Road, with battery after he allegedly threw her around her apartment and kicked her legs several times during an argument at 2 a.m. Saturday.

Police located him at the Parkway Drive a short time later and he was lodged until 3:15 a.m., when he was released on \$35 cash bond.

DANCE COMPANY WILL PERFORM ON OCT. 2

A performance by the Mid America Dance Company will be presented in the Communications Building theater at Southern Illinois University at Edwardsville on Thursday, Oct. 2, at 8:15 p.m., sponsored by the SIUE Office of Cultural Arts and University Museums.

Under the direction of Ross Winter and Aline Wiltz, the troupe of eight dancers was formed in 1976 "in recognition of the need for independent, top-quality, professional modern dance company in the Midwest," according to David Huntley, director of the Office of Cultural Arts. The group has performed extensively, including appearances at the Chicago Dance Festival and the Mid-State Regional Ballet Association Festival in Detroit.

A. O. Smith

(Continued from Page 1)

coupled with the unprofitable operating results in the second quarter, means that A. O. Smith will report a loss for the first nine months of 1980 compared with a profit in the first nine months of last year, he said.

Smith estimated sales in the third quarter of \$149,000,000 compared with sales in the same period last year of \$180,661,000. The third quarter loss, which includes a \$7.8 million after tax provision for the Automotive division plant closing here, is forecast at between \$7,800,000 and \$8,500,000, or from \$1.60 to \$1.75 per share, compared with earnings in the third quarter of 1979 of \$1,490,000, or \$.31 per share.

The third quarter has historically been A. O. Smith's low earnings point each year because of model changes in the automobile industry.

In the first nine months of 1980, A. O. Smith expects sales of about \$514,000,000 with a loss estimated at

between \$9,900,000 and \$10,600,000, or from \$2.03 to \$2.18 per share, compared with sales in the first nine months of 1979 of \$648,774,000 and profits of \$22,332,000, or \$4.54 per share, before an extraordinary charge of \$6,000,000, or \$1.22 per share.

Smith said he expects dollar sales of the company's Automotive division, a major supplier of auto and truck frames, to fall some 30 percent in the third quarter compared with the third quarter of 1979. Lagging sale of U.S. cars and light trucks is responsible for the volume downturn.

In addition to the loss from operations, the company's decision to close its Granite City, Ill., frame manufacturing plant will be recognized in the third quarter, resulting in a \$7.8 million after tax loss. The Granite City facility is being closed because full length separate frame produced at the plant will be eliminated from the

General Motors vehicles using them beginning with 1983 models.

The Consumer Products division expects to report a larger loss in the third quarter than a year ago because of going-in costs at a new manufacturing plant in McBee, S.C. Lower unit sales of the division's water heating equipment are forecast for the third quarter compared with 1979.

Perhaps, someday, some other industry will find that the convenient rail and water transportation, availability of steel, large plant, helpful community and plentiful skilled labor will make an ideal place for large-scale manufacturing, a spokesman said.

Then, maybe the giant plant on Missouri Avenue will be a bustling, productive and very welcome neighbor once again, as it has been since the first auto frame was produced there in September, 1954, he added.

current administration as being unworkable.

"Now it is a part of city government. However, I feel it is not being used to the maximum extent by the current administration."

"In addition, I feel the current mayor has led our city to financial ruin, padded payrolls through patronage and projects which are not completed as they were originally intended, due to inefficient planning and execution of the mayor's part. This approach has resulted in Granite City's paying more and getting less."

"It is my position that a series of neighborhood meetings and public debates sponsored by local civic organizations, including the incumbent mayor, if he chooses to run, and any other candidates for mayor, is necessary to properly inform the citizens of the city of Granite City, so that they may intelligently choose that individual responsible for managing the city affairs for the next four years," Partney said.

He added, "I promise that from this date until the election in April of 1981, I will, in a series of public announcements, firmly state my position relative to each issue affecting the citizens of Granite City."

"These include programs and housing for the elderly, new industry, downtown, redevelopment, neighborhood redevelopment, relief for unemployment, sound financing for the city and numerous other issues of vital concern to Granite City's," he concluded.

Partney currently serves on the Madison County Board from District 21, in Granite City. He and his brothers, David and Don Partney Jr. operate Granite Sheet Metal, a business started by their late father, Don Partney Sr., former mayor of Granite City.

Partney also is a partner in PT, Inc., a real estate holding company for Thomas Mortuary and Mercer Mortuary.

He was a military advisor to the Vietnamese prior to being honorably

discharged from the U.S. Army in 1970 with numerous honors and medals.

Partney is active in public and business organizations and is considered by many as a reformer on the county board. He has been on the county board since 1974, when he was elected at the age of 24.

Partney and his wife, the former Beverly Partney, have one son, Daniel III, 7 years old.

Herbert, 38, was born in Dearborn, Mich., and resided in St. Louis, the Bahamas and Florida before moving to Granite City 13 years ago.

He attended public schools in Florida and then two years at Florida State University, Tallahassee. He currently is taking college courses in accounting and the Bible.

He has been a Granite City firefighter for the past 10 years. Herbert and his wife, Miriam, have two daughters, Lisa, who recently graduated from high school, and Kimberly, who is a sixth grade student. Mrs. Herbert is an assistant to Dr. Claude Hiles.

house and cut the strips of cloth with which the victim was bound.

She was taken by a Granite City ambulance to St. Elizabeth Medical Center, where police questioned her. She allegedly named her attacker and

officers went to his home, in the same block where the attack occurred, and took the 22-year-old man into custody.

Police allege he confessed to beating the girl, stealing her money and removing her ring from her finger. The

ring was found in the man's blue jeans pockets when he was arrested, officers related.

Detectives plan to go to Edwardsville today to apply for felony warrants against the man.

Nuclear safety agency in state

Legislation to place into law a new cabinet-level, first-in-the nation Department of Nuclear Safety which the governor created earlier by executive order has been approved by Governor James R. Thompson.

Part of House Bill 3614 was removed by the governor. The deleted portion would have banned the interstate transportation of spent nuclear fuel into Illinois, a provision he called "un-constitutional" and "bad public policy."

Under the executive order, the new department, combining the parts of the Department of Public Health, Environmental Protection Agency and Office of State Fire Marshal, will regulate energy use, will commence operation on Oct. 1.

"The executive order and this legislation are directed at centralization of inspection, licensing and regulation of radioactive materials in Illinois to provide better accountability to me and to the people to insure safer operation of nuclear power plants and handling of radiological materials," the governor said.

"The new department will provide a single source of communication on nuclear issues with the federal government in its role as regulator of radioactive materials use."

"It has been demonstrated in state after state that one agency will provide the best watchdog for our citizens over the nuclear activities which are present in our society."

91 major crimes end in arrest in August

By GARY SCHNEIDER
of the Press-Record

Granite City police and detectives solved 91 major crimes with arrests during August, but major crimes, themselves, which have been showing decreases recently, shot up 21 1/2 percent during August, when compared to August, 1979.

Leading the rise in the major crime categories were assaults, which jumped 51 percent, from 39 in August, 1979, to 59 last month.

There was a total of 988 major crimes occurring in Granite City last month, an increase of 51 over the 237 in August, 1979.

Other major crime categories showing increases, besides auto burglary, are robbery, up 59 percent, from two cases in August, 1979, to three cases last month; auto burglary, up 42 percent, from 19 to 27; larceny, up 16 percent, from 114 to 133 cases; burglary, up 12 percent, from 42 to 47 incidents, and homicide, from zero to one.

Decreases were noted in rape, down 66 percent, from three cases to one, and auto theft, down five percent, from 18 to 17.

A total of 197 cases were cleared during the month by arrests, a 27 percent increase over the 155 cases cleared by arrest in August, 1979. An even more striking increase is in the major crimes solved by arrest, up 48 percent, from 64 to 95 major crimes cleared by arrest last month.

Fifty-five of 95 major crimes cleared by arrest were assault cases. In that category, clearances by arrest were up 89 percent, from 29 in August, 1979, to 55 last month.

The only homicide last month was cleared by arrest, in a case where two rape cases were cleared up through arrests last month. There were no arrests in either category in August, 1979.

Two robbery cases were solved through arrests last month, doubling the one arrest a year earlier. Five auto burglaries also were solved through arrests last month, up 250 percent from the two arrests in that category the same month of 1979.

Larceny cases cleared by arrest rose only slightly, from 21 in August, 1979, to 22 last month.

Decreases in cases cleared by arrest were noted in auto theft, down 50 percent from two in August of last year to one last month, and burglary, where cases cleared by arrest dropped from nine to seven, comparing the same months.

A total of 3,476 persons have found themselves facing a police officer for a ticket or charge thus far in 1980, 2,390 of which were for traffic violations. The other 1,086 were for other violations.

Last month, 317 persons were arrested for traffic violations and 166 were charged with crimes, for a total of 483 arrests. With duplicate charges against some of those arrested, a total of 556 charges were filed. Both the number of arrests and number of charges filed last month are the highest in the same month of the previous year.

Auto accidents increased 11 percent last month over August, 1979, but accidents for the year, thus far, are down 21 percent from the first eight months of 1979.

There were 38 persons injured in 134 auto accidents last month, compared to 33 hurt in 120 accidents in August, 1979. Thus far this year, 298 persons have been hurt in 1,061 crashes, down from 297 injured in 1,331 accidents in the first eight months of 1979.

There were two fatalities in Granite City through the end of August, 1980, only half

the number killed in the first eight months of last year. There were no fatal accidents within the city limits last month.

10th year for teacher center

The Teachers' Center Project, Box 122, Southern Illinois University at Edwardsville soon will begin its tenth year of operating. Thomas C. O'Brien, director, reports.

The weekly informal meetings are free and open to teachers, school administrators and parents interested in the intellectual development of children.

The project also sponsors special events during the year, including a "day of renewal" for school administrators; guest lectures by educators and researchers on the growth of children's thinking; international conferences in education, and publication of about 70 articles and papers on children's thinking.

In Edwardsville, the River Bluffs Teachers' Center will meet each Tuesday at 4:30 p.m. at the Children's House in Eden Church beginning Sept. 30. At Belleville, the Belleville Area Teachers' Center begins Oct. 1 and will meet each Wednesday at 4:30 p.m. at 25 S. Ninth St.

In East St. Louis, the East St. Louis Teachers' Center will meet each Thursday at 4 p.m. at the Donald F. McHenry School, 2700 Summit, Room 115, beginning Oct. 2.

Students interested in attending the sessions for credit may earn four graduate hours in education through STUE. Registration will be completed at the first

Eight of 22 candidates seeking Jr. Miss title

By VALERIE EVENDEN
of the Press-Record

The largest group of young women ever to vie for the title of Granite City Junior Miss is preparing for the 1980 contest, Sharold Yount, program sponsor, said today.

The Junior Miss Pageant will take place at 6:30 p.m. Sunday, Oct. 12, in the auditorium at Granite City High School South.

Cliff St. James, KSIX-TV television personality, will serve as master of ceremonies.

In subsequent issues, the Granite City Press-Record will publish the photographs and biographies of all 22 youthful contestants.

The new Junior Miss will receive a \$2,000 scholarship to Huntington College in Montgomery, Ala., and a \$500 cash scholarship from the Granite City Junior Miss Program, in addition to numerous other prizes.

Candidates for this year's title are: Ellen Delene Rogers, Theresa Lynn Harp, Michelle Renee Valencia, Laura Lynn Chappell, Karen Ellen Spencer, Cheryl Denise Hutchings, Lia Lynn Salem, Gay Elizabeth Wright, Deborah Kay Lewis, Janet Renee Fox, Julia Althea Ross, Desiree Michelle Gargac, Nancy Ann Ban, Kelly Dawn Vaughan, Lila Lee Hudson.

Karen Irene Cook, Mary Margaret Koerper, Cheryl Lynn McIlvoy, Mary Elizabeth Pennell, Loretta Joyce Rutledge, Sandra Ellen Tucker and Donna Elissa Wilson.

Tickets for the pageant, costing \$2 for adults and \$1 for students, are available from the contestants or by calling Mrs. Yount at 931-4742.

Junior Misses are judged on the same basis and standards at all levels—local, state and national.

The judges' aim is to determine the representative high school senior girl. In the Junior Miss Pageant, there is no bathing suit competition, nor are physical measurements or "cheesecake" photography used at any stage or level, it was explained.

Thirty-five percent of the girl's total points toward victory are accumulated in the judges' interview.

During a 10 minute interview and discussion session with each Junior Miss candidate, the judging panel looks for perception, a sense of values, clarity of expression, concern and ability in human relations, it was noted.

Scholastic achievement, youth fitness and poise and appearance, each comprises 15 percent of the total points, and creative and performing arts represents 20 percent. Judges for this year's Granite City Junior Miss Pageant have wide experience in various fields,

Mrs. Yount said. All are residents of Missouri.

The local winner will advance to the Illinois State Junior Miss Pageant, scheduled Dec. 6 and Dec. 7 at Naperville High School in Rollingbrook, Ill.

The National Junior Miss Pageant will be held next June in Mobile, Ala. The young women featured in today's segment are:

Nancy Ann Ban, daughter of Robert Lee and Michaela Ban, attends Granite City High School North, where she is active in the North Guard Flag and Rifle Team and art studies.

USW Local 67 plans picnic

United Steelworkers Local 37 second annual picnic will be held on Sunday, Oct. 5, at the Granite City Army Installation starting at 1 p.m.

The Local Union will furnish the refreshments and grills. Games such as softball, volleyball, etc., will be available at the picnic grounds. Arrangements have been made to have a band.

There are a number of shelters available and plenty of lighting, so this event will be held rain or shine, the picnic committee said.

"We hope to see all retirees and members (working and laid off) along with their families to help make this year's picnic even more successful than last year," a spokesman said.

Coupe charged with Probe death of man on highway

A Granite City couple, Robert Wise, 23, and Vicki Wise, 21, of Sunny Shores Mobile Home Park on East Main Street, were charged with allegedly left their 14-month-old daughter alone while they went shopping, remain in custody today at Madison County Jail.

Both are facing misdemeanor charges of contributing to the neglect of a child, and the mother, Vicki, also is charged with cruelty to a child, an Illinois Class IV felony.

The couple was arrested at home at 5 p.m. Friday by Juvenile Officer Don Spaul of the Madison County Sheriff's Department, after an investigation which started late Wednesday, Sept. 24.

At 3:30 p.m. Thursday, Mr. and Mrs. Wise were arrested on charges of theft when it was alleged they stole a dress from the Fairview Heighs.

According to Spaul, the Wises attempted to secure bond money from the families, who became suspicious when the child was not mentioned.

Two of the child's grandmothers went to the couple's mobile home at 6 p.m. Wednesday and found the baby alone, the officer said today.

The child was taken by her grandmothers to St. Elizabeth Medical Center about 11 p.m. Wednesday and hospital personnel notified the sheriff's department that the baby had several bruises.

Robert J. Hertz, Madison County chief of detectives, said the baby had several bruises that may have been the result of being hit or slapped and there was evidence of neglect of the baby's health. There were no internal injuries, however.

CHAMBER T-SHIRTS which carry the motto, "Come Grow With Us in Downtown Granite" are modeled by Jeanette Batson of the Chamber staff and Bonnie Goldenberg, president-elect of the Chamber's women's division, as the T-shirts are first introduced last week. From left are the Rev. Louis Frick, who helped judge the T-shirt design contest; Jeanette Batson; Kenneth Evers, president of the Chamber; Andy Gitchoff of the Gitchoff Agency, which donated \$300 for the T-

shirts to be printed; Carl Baczenas, chairman of the Chamber's downtown development committee; Mrs. Goldenberg; Mat Matson, a judge in the design contest, and Drew Karandjeff, representing the Chamber. Baczenas and Gitchoff also were judges. The T-shirts are to be used by merchants in promotions as prizes and gifts. Ever-one who entered the design contest also received one of the shirts.

Prosecutor candidate urging faster trials

Don Weber, Republican nominee for Madison County state's attorney, is emphasizing that he plans to implement an "expedited trial" program if elected Nov. 4.

Weber said the program is designed to protect victims of crimes and their families from "prolonged and often unnecessary delays" in criminal trials.

"Based on my experience as a trial prosecutor, I believe that certain selected cases can be brought to trial within 30 days of the date of the crime," the Collinsville lawyer said.

"These cases, which will be selected by me as state's attorney, will be assigned to a prosecutor who will then be given instructions to check the file daily, to immediately respond to all defense motions, to have all motions set and heard promptly, and to secure the earliest possible trial dates.

"The goal will be to insure speedy justice—both for the criminal and the victim and victim's family.

"I would handle many of these selected cases personally to see to it that they are expedited with the utmost dispatch.

"When the judge sees the state's attorney himself in the courtroom demanding a trial date, rather than an assistant, he is more likely to think that the prosecution is serious.

"Nearly 11 criminal defendants demand a speedy trial in Illinois and I intend to see that they get one. The cases will be selected according to the following criteria:

1. "The anguish involved to victims and their families if the trial is not expedited.
2. "The deterrent effect on crime that expeditious conviction of the criminal would have.
3. "Whether the crime involved the person or the property of the victim.
4. "The availability of witnesses as time passes.

Weber criticized his opponent, Nicholas Byron, as "lacking the trial experience necessary to realize not only that the program is needed but also that it is workable.

"He has not tried a criminal case or handled a defense motion in the eight

years that he has been in office.

"Only a state's attorney who has dealt firsthand with victims, defense motions and delaying tactics can effectively implement an expedited system.

"Speaking as a prosecutor who has personally tried felony cases, I can assure citizens that a program such as the one I have proposed will work to their benefit.

"I handled a reckless homicide case as a prosecutor that involved a family's severe emotional distress when a drunk driver killed their daughter in an auto crash on July 23. Byron filed an information nearly two months later, Sept. 16.

"On Oct. 29, the court ordered Byron to either comply with the defense motions or have the case dismissed.

"On Nov. 1, I was assigned to the case. The defendant was convicted on Nov. 30, less than a month after the case was assigned to me.

"Because I have actually convicted a drunk charged with reckless homicide in less than 30 days after the case had been assigned to me, I know that the expedited trial program will work."

"WE SERVICE WHAT WE SELL"

First frost of fall in October?

Water Survey Climatologist Wayne Wendland is reminding Illinoisans to prepare for the first fall frost as the days get shorter and the difference between day and night temperature increases.

The average date of the first fall frost is earliest in the northern part of the state, about Oct. 5 around Rockford. The average first date of frost becomes later southward—about Oct. 15 at Peoria, Oct. 20 at Springfield and Champaign, Oct. 22-25 here and about Oct. 30th along the southern border of the state.

Wendland adds, "Experience tells us that the average date is not a particularly good forecast date for the occurrence of first frost.

"To keep the tomatoes on the vine as long as possible without experiencing frost, watch the day-by-day forecast. A cold outbreak of air from Canada is usually the meteorological situation that leads to the first frost."

ESCAPEE SOUGHT

A 16-year-old Granite City boy who was being arrested for driving without a license escaped during the weekend from a police car. He is being sought. Residents had complained that he was driving a car recklessly at Kirkpatrick Homes and had nearly struck several persons.

Development aid for businesses

Legislation to help spur commercial development to create jobs in Illinois has been approved by Governor James R. Thompson.

House Bill 821 allows the Illinois Industrial Development Authority (IIDA) to use up to one-third of its \$100 million borrowing authority to underwrite small business projects. Previously, only industrial and manufacturing projects were eligible for IIDA financing.

"This legislation will provide more flexibility in our financing of projects that will create jobs for Illinois people, which is the authority's prime goal," Thompson said.

The legislation, sponsored by Rep. Wyvett H. Young and Sen. Kenneth Hall, both of East St. Louis, also:

—Authorizes the authority to issue bonds for a project without having to acquire title to the project, though, if the authority deems it necessary, it may still acquire the title.

—Allows IIDA to finance equipment separately from sites and structures.

—Deletes a provision that required IIDA to gain approval from a municipality before embarking on a project. The law will allow a municipality to veto a project by adoption of a resolution within 45 days of receipt of a required notice.

Cable TV will be offered to every home in Granite

Cable TV will be made available to all residents of Granite City. Mayor Paul Schuler assured the city council at last week's meeting.

Seminar for paramedics

Belleville Area College, in conjunction with Memorial Hospital, will hold a seminar on continuing education needs for emergency medical technicians, paramedics, firemen, policemen and ambulance attendants on Saturday, Oct. 4, at 8 a.m. at the Memorial Hospital auditorium.

The seminar will provide seven hours of recertification credit.

A \$10 registration fee which will cover lunch and refreshments is required. Interested persons may register by calling 235-2700, Ext. 332, or may register in person in Room 2406 of the Allied Health Center at BAC. Registration must be completed by Sept. 29.

Topics covered in the seminar will include good radio communication, basic cardiology, emergency driving, death and dying, and handling of the psychiatric patient.

The seminar is the first in a series to be offered by BAC and Memorial Hospital for persons in emergency lifesaving professions.

Alderman Lloyd Bailey said he had a complaint from a resident of the 1400 block of Grand Avenue who said Southwestern Cable TV representatives had told her she would not be eligible to purchase cable TV service, due to the location of her home. Bailey said the company seems to be skipping the area behind Granite City Steel's rolling mills.

Schuler said he recently met with officials of Southwestern Cable TV and agreement was reached in which the company will provide service to all homes within the city limits signed up for it.

"They assured me they would cover everyone. They have to work out an agreement with Madison to cross their city limits to reach some areas in Granite City. There are only two homes excluded that we know of and we are working on them."

Schuler also said that persons who receive elec-

trical and telephone service from underground cables will be the last to receive cable TV service, since there are no utility poles on which to put the cable. However, they should have cable available to them within about four months, the mayor said.

Area Indian relic exhibit

A traveling slide presentation and artifact exhibit on the prehistoric Indians of Southwestern Illinois is being scheduled at seven area locations in the next two months.

Produced by the Cahokia Archaeological Society and funded by the Illinois Humanities Council, the exhibit will be part of the Metro-East Institute of Lifelong Learning's continuing education classes for senior citizens. People of all ages groups are invited to attend the showings, which are free.

The Institute is supported by Southern Illinois University at Edwardsville, Belleville area College, Lewis and Clark Community College and State Community College as well as five regional chapters of the American Association of Retired Persons.

The presentation includes information on the development of local prehistoric inhabitants from 10,000 B.C. through the Mississippian period with its highly developed civilization.

Collectors of Indian artifacts are being encouraged to attend the presentations, bringing along items for identification by the archaeological experts who will be in charge of the exhibit.

The schedule:

Sept. 29—1 p.m., Mount Zion Baptist Church, 24th and Bond, East St. Louis.

Oct. 6—1 p.m., Maryville Nutrition Site, Route 159, Maryville.

Vocational training for most students in GC

An annual vocational education report approved by the Granite City Board of Education on Tuesday night showed that of the 781 high school students graduating this year, 457 or 59 percent completed vocational programs.

The other 41 percent participated either in the college preparatory program or in general studies, Thomas C. Holloway, director of vocational and career education, said.

Of the 3,635 students enrolled at the North and South high schools in the 1979-80 year, 3,112 or 86 percent took one or more vocational classes.

The board approved plans by Curriculum Coordinator Warren D. Collins for parent-teacher conferences and in-school workshops Nov. 6 and March 26.

On both of the designated conference days, elementary classroom teachers, music instructors, resource teachers and learning center teachers will report student performance and progress to parents and guardians.

At the high school and junior high school levels, students will attend on the two days until 11:30 a.m., and seminars for teachers will last from 12:30 to 3:30 p.m.

On Nov. 6, physical education teachers, coaches and nurses will study athletic injuries, prevention and treatment.

Mathematics and science faculty members will become familiar with use of computers in their fields, home economics, business education, industrial education, art and music teachers will study course revisions within the present curriculum; and English, social studies, foreign language, speech and media teachers will consider systematic approaches to fostering writing skills.

On March 26, faculty department meetings will be held to consolidate courses where there is duplication, and to revise content where this is appropriate.

Microcomputer equipment was ordered by the board Tuesday night for the GCHS North gifted program, totaling \$4,861, and the Prather Junior High School Title I instructional program, totaling \$9,160. The purchases amount to \$12,966 from Computer Corners of

Cottonwood Station, \$750 from Kappel's Computer Store in Belleville and \$277 from Forsythe Computers of Clayton.

The equipment will include five microcomputer units, two thermal printers, 20 rolls of printer paper, a card reader, five disk drives with controllers, four video monitors, three integer basic cards, six blank diskettes and a mathematics sequence.

8-1/2 Coal and Material Co. was designated as the 1980-81 supply source for stoker coal used at the preschool center, 2425 Logan St. The current price is \$55.75 per ton.

Prestige Printing will print 4,900 Officer Friendly books and 125 teacher manuals for \$2,279.

Plumbing fixtures were purchased from W. O. Nelson Co., \$253, and Westburn Supply, \$282.

A detailed study by Maintenance Supervisor Ronald Lawson, requested by Board Member David Partney, showed that summertime energy use at Mitchell School is in line with other schools.

Mitchell AC was given permission to use the Johnson School gymnasium from Oct. 15 to March 1 for basketball practice on Mondays, Tuesdays and Wednesdays.

A discussion brought out that summer air-conditioning at Johnson and GCHS North is limited to office areas and to classrooms that are in use for instruction or workshops; other portions of the two buildings are cooled only where they are working in them, it was related.

Partney urged continued efforts to limit electrical power costs.

Mrs. Nancy Barnett, who was transferred from her fifth grade teaching position at Mitchell School, was granted permission to address the board. She is now teaching kindergarten groups at Niedringhaus and Marshall schools.

Mrs. Barnett said, "I was overwhelmed with negative reactions when transferred; my current feelings are much more positive, but I am still angry. The four board members with whom I spoke by phone seemed interested and concerned, and they may appreciate an update on my situation."

"I believe teacher morale is vital to good education, and suggest that more care be taken not to destroy that morale."

"Kindergarten is important, but I'm not the best teacher for it. With kindergarten children, I tend to be grandmotherly when sometimes what they need is

firmness, but I will do my best."

A teacher with 23 years of experience, she said in voluntary transfers can be harmful to faculty members and the children they teach, and urged that such assignment changes be kept to a minimum.

Board members have said transfers sometimes are necessary due to staff reductions determined by enrollment trends and the filling of resulting vacant positions; and efforts to limit the number of layoffs.

In general, elementary teachers are qualified to teach any grade from kindergarten through the sixth.

Secondary teachers may teach at high school, junior high school or the sixth grade.

The board authorized the Mitchell Athletic Club to use the Mitchell School gymnasium for its boys' and girls' basketball program on Mondays, Tuesdays, Wednesdays and Thursdays from after school to 9 p.m., whenever there is no conflict with other school events.

The March of Dimes Foundation will hold its annual walkathon in the Granite City schools. That group and the Granite City Jaycees were authorized to place posters in school buildings; the latter organization publicizing its 1980 "haunted house."

The board authorized Mitchell School to accept playground equipment and room games, valued at a total of \$500, from the Mitchell Parent Teacher Association and to accept \$400 from Mr. and Mrs. Allen T. Hallett for replacement of library books as needed.

Dennis Jolly, a former GCHS South student, is giving South a collection of science and mathematics books valued at \$2,000.

The Wilson PTA will donate a used refrigerator to the Wilson School teacher lounge, and the Namecki PTA will give an automatic duplicator to Namecki School.

Marine First Lt. William E. Acker, whose wife, Cheryl, is the daughter of William and Vey Bag, 3333 Palm Ave., is participating in exercise "Team Work 80."

He is an officer assigned to the Second Reconnaissance Battalion, based at Camp Lejeune, N.C.

The exercise, being conducted in the North Atlantic, English Channel, and the North and Norwegian Seas, involves more than 60,000 personnel, 170 ships and 400 aircraft from the United States, Canada, Denmark, Germany, the Netherlands, Norway, Portugal, the United Kingdom and the United States.

It is designed to demonstrate and improve the capability of the NATO Alliance to reinforce and resupply shipping from North America across the Atlantic and from the United Kingdom to northern European ports. The ships will defend against simulated attacks from surface ships, submarines and aircraft.

The field training phase of the exercise involves an amphibious landing in Central Norway by 16,800 troops from the Netherlands, Norway, the United Kingdom and the United States.

35-YEAR RETIREE. Edith I. Lane, an employee of the Illinois Unemployment Insurance Department in Granite City for 35 years, retired last week and was honored by her fellow employees at a party held at the Illinois office, 5 American Village, Friday. Mrs. Lane began her duties with the department in the Alton office in 1945 and transferred to the Granite City office in 1949. She now lives in Dow, Ill. She said she has no special retirement plans except to spend the winters where it is not so cold.

Debate reduction of House

The Legislative Cutback Amendment—Pro and Con, is the subject of an Oct. 1 discussion sponsored by the Fairview-Edgemont Business and Professional Women's Club.

The discussion, scheduled for the Round Table Restaurant, Route 157 and Interstate 70 in Collinsville at 7:45 p.m., will feature Harold Byers, Democrat, candidate for re-election to the House in the 55th District, speaking for the amendment, and incumbent

legislator Celeste Stiehl, Republican representative from the 57th District, speaking against the amendment.

The legislative Cutback is the first constitutional amendment in Illinois history to be proposed by a citizen petition. It would reduce the size of the Illinois House from 177 to 118 seats.

Both Byers and Rep. Stiehl will speak and take questions from the audience.

Lights out! Steelers whip Roxana 25-0

ROXANA — If the Roxana Shells were trying to give subtle hints to Granite North Friday night, it worked. Midway through the first quarter, a transformer outside the football field caught fire. By the end of the period the lights went out causing a temporary cancellation of the game.

But the Steelers weren't going to let Roxana get off that easy. The game resumed Saturday afternoon. Unfortunately for the Shells, North picked up where they left off Friday and completely crushed Roxana 25-0, posting its fourth straight victory.

With the season at a midway stage for the

Steelers, the first four victories has been the best start a North team has had in some years. "We just came out to play football," said Steeler head coach Tom Wyrostek, "but we are gonna have to come and play in these next games coming up."

If North puts together a team effort like the one they mastered against the Shells, there just might be four more victories posted.

Does Kevin Buchanan, Rich Buer and Darren DePew sound maybe like a new rendition of the Three Musketeers. Well, these three players rode through the Roxana defense, picking up 279 of North's 284 total yards on the ground. This compares with only 49 yards rushing for the Shells.

Racking up yardage is Buchanan's specialty, as he gained his fourth consecutive 100 yard game with an 19 carry 108 yard performance Friday. This included the opening score of the ball game when he rambled 6 yards in the second period. The touchdown was set up when North's Tom Crawford picked off a Roxana pass.

But it seemed it was DePew that was grabbing all the points. In addition to gaining 62 yards on the ground, he also found the uprisings with a pair of field goals. The first coming in the third period from 44 yards out and number two at a range of 37 yards in the final quarter. To top everything off, DePew even scored North's final touchdown and

made good on the extra point. In all, he was responsible for 13 of the Steelers 25 tallies. DePew is only a sophomore.

The other workhorse for Wyrostek was Buer. Although he didn't cross the goal line, he made sure that the ball got to it. He joined Buchanan in top rushing honors with 105 yards on 15 carries. "We just ran him (Buer) more this week," said Wyrostek. "With Buchanan, Buer and DePew, Wyrostek won't have any trouble finding someone to carry the ball. "The only trouble is, that you can't give it to all three of them all the time," said Wyrostek.

North's remaining score was produced by quarterback Danny Patterson in the second

period. Taking the ball himself, Patterson found a hole from one yard out which increased the Steeler advantage to 12-0.

"We did some things right today," said Wyrostek, "but we still had the mistakes. We used a different defense, however I figured we had our defense ironed out. We executed well, but we gave it away with a lot of stupid penalties." North was caught for 11 misdoings costing them 95 total yards. The Steelers did finish up with 307 combined yards which clearly out-distanced Roxana's 56.

"They beat us in everyway," said Shell head coach Charlie Raich. "I didn't see one place were we won out at. We were in a hell of

Warriors give Hoosiers lesson

By PETE HAYES

EVANSVILLE, Ind. — Soccer is booming here in this southwestern Indiana community. Thousands of kids and adults are enthralled with it. But the local enthusiasts got a little lesson here Sunday afternoon.

The Granite City South soccer Warriors, four-time defending state champions, had surprisingly little trouble with defending Indiana state champ Evansville Memorial and beat the Tigers 3-1 in a preliminary game to the SIU-Edwardsville-University of Evansville college soccer game (see related story).

South dazzled the large crowd and the Tigers. The Warriors controlled the flow of the game except for two outbursts by Memorial, one of which accounted for a goal.

"That lone Memorial goal could have been the turning point of the game — if South had let it. It was scored by Bruce Mitchell off a Tiger corner kick. And it came with only 30 seconds remaining in the half — a half that South had dominated up to that point. A lesser team might have let the momentum swing in Memorial's direction. South didn't let that happen."

"It came at a bad time," said South head coach Gene Baker. "Memorial has a fine team and we knew they could come back on us if we let them."

South had grabbed a 3-0 lead and it looked like a rout was on. David Fernandez scored the first Warrior goal. At the 19:20 mark of the first quarter, he

took a bouncing, spinning shot at the Memorial goalie from about ten yards out to the right of the goal. The goalie tried to scoop it up off the ground, but watched helplessly as it took a bad bounce and went over his right shoulder and into the net.

Just second later, South's David Paz stole an errant Memorial pass and boomed a shot through the goal mouth and wide by inches.

"We had good penetration, I thought," said Baker. "We were trying to work on several things today. We had moments when our passing was very sharp. But at other times, we broke down."

Fernandez was busy yesterday. In addition to scoring the first goal of the game and aweing the fans with his foot work (with and without the ball), he assisted on the Warriors' other two goals.

Six minutes into the second quarter, Fernandez fed teammate Don Cooke who blasted one into the net at point-blank range. At the 15:10 mark of the quarter, Richie Moore made it 3-0 with a goal from seven yards out, directly in front of the goal after taking a pass from Fernandez.

The Warriors made their own chances at making the game a rout. But Memorial bore down and started playing more offensively than it had.

The early part of the third quarter, Memorial had control of the flow. But South goalie Joe LeMaster time and again foiled the Tigers' shots. Four to

EVANSVILLE, Ind. — Seems like history repeated itself here yesterday. The University of Evansville Purple Aces used their "Scandinavian Connection" to the fullest Sunday afternoon and fought to a 2-2 tie with defending NCAA Division I National Champion Southern Illinois University at Edwardsville. Last season, the two teams fought to a 2-2 tie at SIU-E's Cougar Field. But this time, it was SIUE that had to come from behind to tie.

The Aces add a little "Granite City Flair" to their Scandinavian lineup look. Freshmen Jack Burnett and Craig Kessler from South High saw considerable action. Burnett started at fullback, while Kessler was a top substitute.

The game was marred by seven yellow cards, four against SIUE. The Aces outshot the Cougars 24-19. Corner kicks were tied at 5-5. Cougar goalie Mark Downard made 11 saves, while Dunda made only three.

GRANITE CITY — The Granite City North soccer Steelers overcame some first half doldrums here Saturday afternoon at Steeler Field to defeat an inexperienced Quincy Notre Dame club 2-0.

The first half was scoreless and very sloppily played, according to North coach Bob Kehoe. "We were just sound asleep," said Kehoe after the game. "I preach to them (the North players) over and over again about mental preparation for a game, but it just doesn't seem to be sinking in."

"I just walked away from them at

halftime," Kehoe said. "I was just too disgusted with them to face them then. They seem to think that everyone is just going to lay down because they're playing the mighty Granite City North Steelers. I just told them that Quincy Notre Dame didn't lay down in the last 40 minutes of the game either."

North's Steelers got on the scoreboard for the first time in the game late in the third quarter. Steeler scoring machine Robert Szeeles picked up a loose ball in front of the Quincy Notre Dame goal after a Steeler corner kick and booted a lame duck left-footed

shot at the Raiders' goal. The ball fell short of the goal, but was spinning enough so that it squirted past the shocked Notre Dame Raider goalie and into the net making it 1-0 North.

That somewhat less than pretty goal seemed to take the wind out of the Raiders' sails. North dominated the action from that point until the end of the contest. The Steelers also added another goal.

At the 65 minute mark, an unassisted gem by Steeler Paul Barrington made the score 2-0, in favor of North.

"It's really frustrating to watch them play," Raider coach Al Knepler said of his players. "They really play

hard. They just don't have the experience it takes to win. North doesn't have too much experience either, but they obviously know what to do with with they've got. They sure did it today. They're a very well-coordinated club. But teams from Granite City always are."

"We came back at them with a little more fight in the second half," said Kehoe. "We're capable of playing that kind of soccer all of the time. We can't seem to get into the habit of letting down, or we're going to get beat."

The next action for the Steelers will come this Thursday night when they travel across town for the second meeting of the season with Granite City South. The Warriors downed the Steelers 2-0 the first time the two teams met at Steeler Field.

The victory over Notre Dame raised North's overall record on the season to 7-1-2.

IHSA moves soccer final site

BLOOMINGTON — The Illinois High School association has done it again.

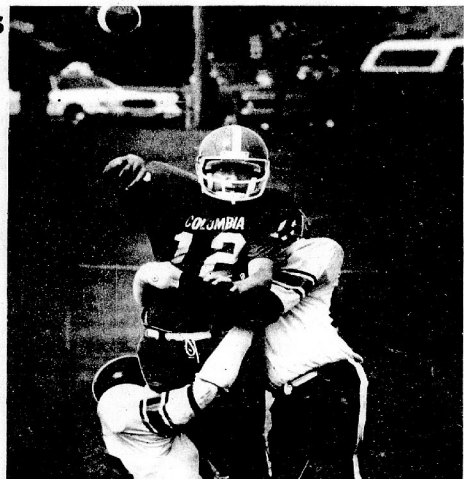

Because of a scheduling conflict, the IHSA Friday announced that it is moving the site of this year's State Soccer Finals from Huckle Stadium on the campus of Northern Illinois University to tiny Palatine High School's football field, the site of last year's final tournament. Palatine is a suburb of Chicago.

The Athletic Department at Northern refused to change the starting time of a Saturday afternoon football game to accommodate the IHSA's meet. Because of the 1 p.m. starting time of the football game, the furthest semifinal game of the day would have to begin at 8 a.m. instead of the normal 9 a.m. starting time. IHSA officials said they felt such an early starting time would be unfair to the players involved.

Because of the late point in the season, the IHSA contacted Palatine school officials and made arrangements for the state final meet.

The field at Huckle Stadium is Astro-Turf. The Palatine field is small, natural turf and bumpy.

The State Soccer Finals will be Nov. 14 and 15.

Madison brought back to Earth in loss to Columbia

Special to
the Press-Record

COLUMBIA — The story at Columbia Saturday afternoon was pure and simple. The Madison Trojans did not play good football and got beat-bad. Trojan head coach Al von der Haar must have been feeling "had you ever had one of those days' thoughts. The Eagles didn't waste any time, throwing up 20 first quarter points and going on to crush Madison 63-0 in a Quad-County Conference clash.

Although a league game, von der Haar didn't put that much emphasis on it. "It wasn't a big conference game," said von der Haar. "The fact of the matter was, we were not ready to play. I know damn well we weren't."

Ready or not, the Trojans were not prepared for the onslaught Columbia was to hand them. "I saw it coming," said von der Haar, "but it's difficult to tell the kids that. I didn't think it was going to be this bad, though. I saw things developing in the first couple of minutes that told me we were going to have a rough time. The kids just didn't believe it."

The Trojan players were forced to believe it as the Eagles added eight more points in the second quarter, 21 in the third and 14 more in the final period.

This rather one-sided defeat drops Madison to an even .500 in the conference at 1-1 and it even ups its season mark at 2-2.

Admitting the mistakes were still too numerous, von der Haar feels that games like these could be avoided if there was proper equipment to point out the errors to the players. "We don't have it in our budget to tape these games," said von der Haar, "so I don't have any films to show the kids. We can't progress any further until I have shown them their mistakes on film. It's really hard to explain it to them. It wasn't a good thing it happened, but when you play the way we did, it is bound to happen."

Allowing 63 points is always hard to swallow. For von der Haar, it came as a little surprising. "I was really surprised with our defense," said von der Haar. "They have been very ahead of our offense in the first three games. In

fact, it was our defense, not our offense, that helped win our first two games. Frankly, I was a little surprised that we had two wins under our belt this early in the season."

Looking back on the game, von der Haar felt there is only one thing good about a loss like this. "You always have Monday to look forward to," said von der Haar. "This game is in the past and you have a new opponent to work for the next week."

With the Trojan schedule not getting any easier, Madison will have to keep in mind whatever good points came about in there tough battle against Columbia. "What good points?" said von der Haar. "A dog is a dog. If you play like one, then you're a dog and we played like a dog. As a matter of fact, the only thing that went right for us all day was the coin toss. We won that."

Columbia scored first on a five yard run by Mike Suedjamp, one of three TDs he would score that day. But it would be a big day for the entire Columbia offense. And not a bad one for the defense.

Althoff spoils Homecoming

GRANITE CITY — When a team beats another by a 32-12 count, you'd expect its coach to be pretty happy with the results. Not so in the case of Belleville Althoff's Glen Schott.

Schott's club spoiled Granite City South's Homecoming here Friday night by that 32-12 score. But he wasn't happy with his team's play. "I'm not totally happy with the way we played," Schott said. "But I am happy that we were able to play flat and still win the ball game. I hope we can learn something from this."

For South, it was another effort in frustration. The Warriors had brief shimmerings of brilliance in an otherwise bleak performance. For instance, the most exciting play of the game came from South's Mark Clark who returned a kickoff 91 yards for a touchdown. But that touchdown came after an Althoff TD that had made the score 21-0 in the second quarter. South's extra point attempt failed.

The Warriors started sophomore quarterback John Linhart, knowing that jumps will be taken this year, but hoping that

dividends will be reaped next season.

"I think we hurt ourselves tonight as much as anything," said South head coach Stan Wojcik. "I think they (South's players) may get too emotional, too tied up in what's going on. I think we gave Althoff more than they expected, though."

In Althoff's first two possessions, it scored twice. The first TD came on a one-yard run by quarterback Jeff Junker. The kick failed. On the next possession, Junker lofted a 71-yard scoring pass to Bob Totsch who appeared to be stopped at South's 31-yard line but wriggled free and rambled in the remaining yards.

"Their (South's) defensive backs were only six yards off the ball," said Schott. "When they play that close up, you almost have to pass on them."

The score stayed 12-0 until midway through the second quarter. That's when Crusader Totsch scored his second touchdown of the game via a pass. The only difference was that he started the play on defense. He intercepted a Linhart pass and ran 15 yards for the score. Keith Chamber

scored the two-point conversion making the score 20-0.

Then came Clark's kickoff return heroics. But the excitement it generated in the Homecoming crowd was short-lived. On the next series just two minutes later, Althoff went 75 yards in four plays for a touchdown. Althoff's Don Schaefer carried the ball for 65 of those yards on two carries, the last of which was 30 yards for the score.

Althoff's final points of the game came when Mike Laney ran the ball into the end zone from three yards out.

South's final score came when Rich Daily hauled in a Linhart pass from six yards late in the game. The kick failed.

Actually, Althoff had one touchdown called back because of a holding penalty. Schaefer made a diving grab of a 24-yard Junker pass in the end zone for what appeared to be a score.

The loss dropped South's Gateway East Conference record to 0-2 and its overall mark to 0-4 on the season. Althoff is 1-0 in league play and 2-1 overall.

TOO LITTLE TOO LATE. Granite City South's Rich Daily holds the football aloft after scoring on a six-yard pass from teammate John Linhart Friday night as the official signals

TD and a Belleville Althoff defender looks skyward in disgust. It wasn't enough though. South lost 32-12.

Steamers to hold free-agent tryouts

ST. LOUIS — St. Louis Steamers head coach Pat McBride announced today that beginning on Wednesday, Oct. 1, his team will be holding a three-day free agent tryout at the Castle Oak Indoor Soccer Club. The tryouts will begin at 9 a.m. each morning and any players who excel during the work-out will be invited to join the Steamers when they officially open their training camp on Oct. 6.

All soccer players who are interested in attending the tryouts are requested to pre-register, by telephone, with McBride. According to the head coach, the tryouts will include some individual skill

work but will mostly involve team scrimmages. In order to balance the number of individuals on the field at any particular time, all players must register with McBride who will assign specific times for each to attend the practice. All interested individuals may call McBride at his Castle Oak office, 532-5448, on weekdays before noon.

The Steamers currently have 12 players under contract and are negotiating with several others. Major Indoor Soccer League rules call for a total of 16 players to dress for each game. Individual teams, however, normally hold contracts on

at least 20 players. McBride has already invited 35 players from around the country to the three-day tryouts. In addition, a number of individuals who are not currently under contract to the Steamers have been extended invitations to attend the Steamers official training camp.

McBride said that he will consider all players who participate in the three-day work-out; forwards, mid-fielders, defenders and goalies. Any players who demonstrate the skill, ability and potential to play indoor soccer on a professional level will have a chance to play for the Steamers.

Warriors kick Blue Devils

By RICK WELLS

For the Press-Record
GRANITE CITY — Quincy Senior High goal keeper Jim Bruce walked slowly from the field. His black long-sleeved shirt and black shorts were covered with dirt, and his eyes reflected a long afternoon.

The Blue Devils had just run into Granite City South, and more often than not, anyone in that position comes out on the wrong end of the collision. Saturday afternoon at South, the Warriors battered Quincy 3-0.

Bruce, one of six sophomores playing for the Blue Devils, was tested time and again by the Warriors. South ripped 21 shots at goal. Bruce had to make 17 saves. He spent more time rolling in

the dirt taking the ball off Warriors' feet than he did standing up. On the other end of the field, Quincy managed just five shots at goal. South's Joe LeMaster made but two saves.

"We rested (David) Fernandez an awful lot," said South coach Gene Baker. "That made a big difference."

Fernandez may not have seen a lot of playing time, but no one would know it looking at his stats. The all-everything for South scored two of his team's three goals and assisted the third. Baker was resting Fernandez for a heavy work week this week, which includes the second North-South battle of all-stars. Fernandez is coming off an ankle injury. Also out was

Lloyd Sharp. But despite the absence of the two Baker said it was a "good game."

"Maybe it was because they were so quick and we couldn't defend them," Baker said. "They do have a lot of quickness."

Quick is defined as Roger Wilson, the Red Devils' sophomore striker. Wilson put on a dazzling show of speed and ball skills but couldn't work around a solid South backfield anchored by Greg White, David Paz and Jim Brewer.

Quincy coach Dick Stewart knows what Wilson is capable of, but doesn't want anyone else to know ahead of time. "We don't give that information out," he said with a slight smile. "Let's just say he's very quick."

Stewart was impressed with the Warriors. "They're becoming a real team. They've got good ball skills, tough all the way through."

And as for Fernandez, "He's a real good ball player. He has quick moves. But more important, is the way he communicates with the other players. He's not afraid to lay out and give the ball off to someone else, and that's why I think they get it back to him so well," Stewart said.

Fernandez didn't need a lot of communication on his first goal when he drilled the ball in unassisted at 33:32. The goal put South on top, but more important, took the edge off the Blue Devils.

They totally broke us down in the second quarter," Stewart said. "We were shell-shocked, they came at

us so quick. We finally regrouped halfway through the third quarter and played a pretty good game from there."

Before Quincy could recover, the Warriors had tacked on two more goals. John Rushing knocked in a pass from Fernandez following a free kick at 42:17. Fernandez scored unassisted at 43:08, again following a restart.

After the game, Stewart wasn't bitter. "That last quarter and a half was the best soccer I've seen you play," he told his team. "Very good...very, very good. I congratulate you on a good game."

"We think they'll definitely be around for the playoffs," Baker said of Quincy.

Steelers blast Redbirds 4-0

By PETE HAYES

Sports Editor
of the Press-Record
ALTON — Granite North's soccer Steelers must not read the papers.

In all the pre-season previews, Alton's soccer team was applauded as one of the teams to beat this year. The Redbirds are the team to beat. Just ask Granite City North, Collinsville, Granite City, South and Quincy. They've all beaten them. Last Thursday, it was Granite City North's turn.

The young Steelers got strong performances up and down the lineup and whipped Alton 4-0 and upped their record to 7-1-1 on the season.

going into Saturday's game with Quincy Notre Dame (see related story).

Those solid performances got some praise from Steeler head coach Bob Kehoe. "That's what it takes," he said. "All of the old clichés apply. Team work."

Solid teams with an absence of singular all-stars have become a Kehoe tradition at North. "It's hard to play with a team of all-stars," he said. "Because it's rare when one player is going to determine whether or not you win a game."

Alton does have some outstanding talent. But according to Kehoe, the Redbirds seem to have problems molding it. "They had some good ideas," he said. "But they seemed to have trouble putting it all together."

"They seemed to get frustrated and impatient when they got down," Alton "got down" with 12 minutes left in the first half when Robert Seales scored on a direct free kick with a booming shot. "We have a new set-play for free kicks," said Kehoe. "And I was expecting to see it then. But Robert must've seen something in the way Alton was lining up for the kick, because he really let it go."

The diminutive Seales had a hand (or foot) in North's next goal, scored by Paul Barrington with 15:13 remaining in the third quarter. Seales hit Barrington with a pass just beyond the midfield stripe. Barrington boomed the ball in from 25 yards out past the lunging Alton goalie.

"Robert (Seales) is a scoring threat, that's for sure," said Kehoe. "He's a real student of the game, thinking all the time."

North's last two goals came in the fourth period. Tim Dean scored with four minutes left. Seales, off an assist from Dean, finished the scoring with his second goal of the game with two minutes remaining.

North, as has become a habit this season, got outstanding goal tending from Rob Chapman who made ten saves, one of which was particularly outstanding.

In the third quarter, Alton standout Darren Jones got a pass from a teammate and found himself all alone against Chapman. He let go with a booming shot at point-blank range that Chapman dove across to and pushed aside. "He was great in

goal," said Kehoe. "He's become a very pleasant surprise. It seems every year we lose our goalie and find someone else who steps right in and fills the hole."

"And I don't try to hide it, either," he said. "All the credit goes to the kid (Chapman) who's a former Steeler) Rick Demary, who comes in sometimes and helps with the goalies at practice. I've got books on goal keeping, but it's the only position I haven't played, so I can't teach out of experience."

"Goalies are a special breed, anyway. You have to have played goal to understand it, I think."

The loss dropped Alton's record to 5-4-1 on the season.

Phillips wins feature

By JEFF EAVES

For the Press-Record
GRANITE CITY — Taking the lead on lap 39, Phillips of Springfield, Mo., held on to a four-car lead and won the Midwest 100 for late model stock cars at the Tri-City Speedway Sunday afternoon.

Rodney Combes of Lost Creek, W. Va., started on the pole after setting a new track record in qualifications with a 23.001 clocking. Combes lead until lap 39 when Phillips got around when Combes was caught in traffic.

Phillips and Combes were battling side by side until lap 46 when Mike Wallace of Arnold, Mo., spun into the guard rail and brought the yellow out. Combs who had passed Phillips for the lead on turn four had to return to second because of the yellow and revert back to the last lap.

On lap 56 the red flag came out for all of the cars to pull into the pits for refueling and place change.

The green flag came with Phillips leading and on lap 55 Red Farmer of Hueytown, Ala., hit the front stretch retaining wall and No. 55 Ken Essary of Galena, Mo., hit him and the yellow came out again.

The race got started again and a three-car race between Phillips, Kevin Gundaker of St. Louis, Mo., and Tom Helrich of Harrisburg, Pa., and all three cars were battling until lap 87 when Kenny Schrader spun in turn one and No. 4 Joe Ross of Mendon, Ill., hit him and Schrader's gas tank came out of the car and his whole front end was demolished and the red flag came out.

When the race restarted a 13-lap race between Phillips,

Gundaker, Helrich and Combs was on. But Phillips held on to win the \$4000 first place money. Phillips started on the second row pole.

At the finish of the hundred lap feature Phillips was followed by Gundaker, Tom Helrich, Rodney Combs, Jim Curry of Indianapolis, Ind., Dan Dekey of Packwood, Iowa, Don Hoffman of Des Moines, Iowa, Roger Dolan of Lisbon, Iowa, Johnny Johnson of Morning Sun, Iowa and Dick Potts of Bloomington, Ind.

Two 25-lap consolation races were run to fill the last two rows for the feature were won by Steve Keppler of Marion, Iowa and Dick Potts. In the first 25-lappper Keppler started on the pole and led every lap to win over Ken Walton of Viola, Iowa, Dave Fesse of Bloomington, Ill., and Red

Farmer.

In the second 25-lap race Dick Potts passed Rick Beebe of Oveland Park, Kansas, on lap 17 to win over Beebe, Joe Ross and Terry Messenger of Robinson, Ill.

A record total of 67 late models were on hand in the first annual Midwest 100. Next Sunday night Oct. 5 the final race of 1980 at the Speedway will be held and the World of Outlaws sprint cars will perform for the fourth time this year and WO0 point leader Steve Kinser of Bloomington, Ind., will be on hand. First race will begin at 6:00.

Country western singing star Marty Robbins was on hand for the event but Marty crashed his car into the guardrail in turn one but was able to start the hundred lap main but pulled in with overheating problems.

Carter praises hunters

WASHINGTON — For the fourth consecutive year, President Carter has issued a resounding statement of support for National Hunting and Fishing Day and praised sportsmen for their "historic and continuing contributions" to conservation.

"Hunting and fishing are an integral part of the American heritage," said President Carter in his statement for National Hunting and Fishing Day, 1980. "These sports are important," the President added, "not just for the recreation they provide, but

for the motivation they generate for the conservation of our wildlife and natural resources."

Describing the vital role sportsmen have played in the conservation of the nation's wildlife and natural resources, President Carter said, "Dating back to the turn of the century, America's sportsmen have been in the forefront of the conservation movement. Hunters and fishermen were instrumental in the creation of state fish and game departments throughout the country. Conservation-m-

inded sportsmen urged license fees to support these agencies and their conservation programs, and they proposed special excise taxes to pay for land acquisitions, wildlife research and management.

"To date," said the President, "sportsmen have provided more than \$5 billion for conservation programs which benefit non-game as well as game species."

The President also pointed out that, as a result of sportsmen-financed habitat restoration programs, there are "more deer, elk, an-

telope and wild turkey in this country than there were in 1900."

An avid hunter and fisherman himself, President Carter summed up the purpose of National Hunting and Fishing Day by saying, "In recognition of the historic and continuing contributions of America's sportsmen, it is fitting to designate Saturday, Sept. 27 as National Hunting and Fishing Day. On this occasion sportsmen throughout the country will conduct activities to further conservation efforts at the local, state and national levels. The observance gives me a welcome opportunity to commend them for their initiatives and hard work on behalf of conservation and to urge all Americans to join them in ensuring the wise use and protection of our natural and wildlife resources for the benefit of today's citizens and future generations."

VICTORY PARTY. Granite City South's Richie Moore (center) and David Fernandez (left) congratulate each other after they connected for the Warriors' third goal of the game Sunday in

Evansville, Ind. against Memorial High. At right is Don Cooke, who scored South's second goal. Fernandez scored the first goal in South 3-1 win over the defending Indiana state champions.

Sept. 27, marks the ninth annual observance of National Hunting and Fishing Day. Since the first observance in 1972, NHF Day has continued to grow in both size and impact. Millions of Americans participate each year in more than 2,500 separate NHF Day activities at sportsmen's clubs, schools, shopping centers and wildlife management areas across the country. This year's Honorary Chairman for NHF Day is Representative John Dan Rostenkowski, U.S. House of Representatives, Pittsburg, Pa. stand-out, Bill Vieth Jr. son of Memorial's assistant coach. Going into the game, Vieth was the leading scorer in the city of Evansville with 15 goals. With South's Tim Dix marking him, he didn't get off a single shot. "I think Tim

did an excellent job on Vieth," said Baker. "I think he (Vieth) must have gotten a little frustrated toward the end of the game."

The game was South's third in as many days. Friday, the Warriors beat Belleville Althoff 3-0 and Friday they blanked Quincy 3-0. "It's hard to play three right after another," said Baker. "On top of that, we've got some nagging little injuries that are bothering some of the players." Fernandez is coming off an ankle sprain, Moore has a minor leg injury and Dix has been banged

five minutes later, South regrouped and that was that.

"LeMaster is coming along fine," said Baker. He showed good reaction today and made a couple nice saves.

South was able to control Memorial's stand-out, Bill Vieth Jr. son of Memorial's assistant coach. Going into the game, Vieth was the leading scorer in the city of Evansville with 15 goals. With South's Tim Dix marking him, he didn't get off a single shot. "I think Tim

hard on the ankle several times in recent games.

"Memorial has a fine program," said Baker. "I think they'd compete very well in Illinois. They're well-coached and especially good in the air." In total, South outshot Memorial 19-9, had a 6-edge in corner kicks. LeMaster made seven saves, while Memorial goalies made nine. South was called for 16 fouls, Memorial for 12.

South will be back in Gateway East Conference action today when it plays at Cahokia at 4 p.m.

Again it was Stahlschmidt. The Columbia running back scored his final touchdown of the day in the third period on a 12 yard run. Then Eagle Jeff Ahlers scored for Columbia via the airwaves. He hauled in a Mark Mehrmann pass from 21 yards away and scored. Then it was Suedkamp's turn again. He scored touchdowns on runs of three and one yard.

The Eagles' scoring was rounded off when Darryl Bird scored on a six yard

Joe Stahlschmidt scored four touchdowns for the Eagles. He followed Suedkamp's run with a 14 yard jaunt of 38 yards. The two point conversion made it 26-0. The rout was on.

Stahlschmidt opened the second quarter with a 55-yard rambles for a run of three and one yard.

The Eagles' scoring was rounded off when Darryl Bird scored on a six yard

run.

Stahlschmidt had a field day on the ground he carried the ball 19 times for 216 yards. Suedkamp topped the pigskin 18 times for 1670 yards. In total, Columbia ran up 393 rushing yards and 43 passing.

Next weekend, the football Trojans will travel to Greenville for a non-conference game with the Comets, beginning Friday night at 7:30.

Cougars finish fifth

By DOUG IRVIN
For the Press-Record
EDWARDSVILLE — The Cougar golf team opened its 1980 season with a fifth-place showing at the Northern Iowa Invitational Golf Tournament over the weekend. The athletes from Southern Illinois University-Edwardsville finished the three-day, 72-hole affair just one stroke behind the Big Ten teams.

The University of Minnesota won the tournament

with a team total of 1,195 strokes. Par for the 72 holes for a team is 1,152. The University of Minnesota-Duluth came in second with 1,208 strokes. Finishing third was the University of Wisconsin with 1,210, and fourth was the University of Iowa with 1,219 strokes. SIUE was next with 1,220 strokes.

Other team results were: Wisconsin-Eau Claire, 1,240; Northern Illinois, 1,245; Western Illinois, 1,247;

Northern Iowa (gold team) and Iowa State 1,252; Wisconsin-Whitewater, 1,258; Northern Iowa (purple team), 1,265; Bradley (good college golfers), 1,302; Drake, 1,305; Eastern Illinois, 1,318; Winona (Minn.) State College, 1,322; and Dubuque (Iowa), 1,342.

Jim Kurtzborn, a second-year Cougar athlete, finished individually out of 90 golfers. Lee Kogutski, from Minnesota-Duluth, was the tournament medalist with 291 strokes — just three over par for 72 holes. Tom Lehman from Minnesota finished second with 297. Kurtzborn shot a total of 299 strokes for his third-place spot. Kurt Snyder of Minnesota shot an even 300 for fourth-place. For fifth-place, Steve Offette of Minnesota shot 303.

"This is the first time that Jim (Kurtzborn) has gotten recognition as a good college golfer," said SIUE Coach Harry Gallatin.

The Cougar squad consists of four sophomores and a senior. Sophomore Kurtzborn led the Cougars with his 299. He was followed by

a lot of trouble. We attempted to slow Suchan down, but it didn't matter who handled the ball. We just could not stop them."

Stopping the Steelers at this point could be a difficult chore. Coach Raich's views it the same way. "This North team matches the state team of 1975," said Raich, "except in the throwing ability. But that's a hell of a team we played today. However, Wyrostek has already seen good season starts wasted in past years. "I'm not going to predict anything," said Wyrostek. "We still have to play four tough schools in Cahokia, Althoff, Granite South and Edwardsville. So, I think it's going to be up to these players whether they want it or not. Coaches don't win football games, athletes do."

As for the temporary delay in the game from Friday to Saturday, both coaches felt that it didn't affect the teams. "There were no secrets," said Raich. "They destroyed us. I did find one thing about the layoff in the game that hurt us. North showed up

PTA District 29 to convene

The 44th annual meeting of District 29, Illinois Congress of Parents and Teachers, will convene Wednesday, Oct. 1, at the Moose Hall in Wood River.

Mrs. Barbara Haddock of Granite City, District 29 director, said registration will begin at 5:30 p.m., with a dinner at 6:15 p.m. preceding the program.

Guest speaker will be Mrs. Arlene Zielke of Chicago, state legislative chairman for the Illinois Congress of PTAs.

Mrs. Zielke will address area PTA officers and members on "How to Participate in the PTA Legislative Process," which is the theme of the meeting.

Participation in PTA legislative activities is authorized under the PTA's third objective—"To secure adequate laws for the care and protection of children and youth."

Mrs. Haddock noted the national PTA organization, as well as state and local PTA groups, takes an active role in issues and laws affecting the education, health and well-being of children.

District 29 consists of local PTA units within the Illinois counties of Calhoun, Greene, Jersey, Macoupin, Madison, Montgomery and schools in St. Clair County which are included in the Collinsville School District.

SPEAKER. Arlene Zielke of Chicago, who will speak at the 44th annual meeting of District 29, Illinois Congress of Parents and Teachers, at the Moose Hall in Wood River.

Organ Pedalers organize

The first meeting of the A.O.A.I. Organ Pedalers was held last week, at 2100 Cleveland Blvd. Buel Schmissieur, acting president, drew names from those in attendance for "acting officers" for the evening. Vice-President was Jerry Rollins, acting secretary was Fred Rollins, and acting treasurer was Wilma Cooper.

Schmissieur announced there would be election of officers at the November meeting. He also explained that at that time, the officers would be known as "The Grand Pedaler," president; "The Great Chimamaster," vice-president; "The Great Composer," secretary; "The Great Quarternote," treasurer. The proposed constitution and duties of officers were presented by Schmissieur, along with a sample certificate of membership and membership card.

It was suggested that the club go to a restaurant twice a year, where a prominent local organist is playing and also try to go to an International Convention as a group.

Discussion was held on members playing at nursing homes, hospitals, during the holidays and on money-making projects.

"Hurdy Gurdy" magazines, published by the A.O.A.I. state chairman.

The music for "You Light Up My Life" was handed out by Schmissieur, who expressed that everyone attending the meetings would receive different music each month. Several selections were played on the organ by Carolyn Belling. The group decided to make the October

meeting "Bring a Friend" month.

Refreshments were served to Emylee Alfrod, Judy Allison, Dorothy Alsop, E. Burk, of Troy, Ill., Carolyn Belling, Wilma Cooper, Liz Hughes, Jennifer Miles, Jerry Rollins, Fred Rollins, Buel Schmissieur, and Dr. and Mrs. Zacher from Chesterfield, Mo.

The next meeting will be held Oct. 20, at 2100 Cleveland Blvd. at 8 p.m. Anyone interested in coming to the meeting, are to call 876-2121.

MR. AND MRS. JEFFERY LUNER.
Their wedding was solemnized at SS Peter and Paul Church in Collinsville. Formerly Anne Kyle Rowden, the bride is the daughter of Mr. and Mrs. Albert W. Rowden, 2253 Dawn Place.

Robert Wilsons mark 25 years

Mr. and Mrs. Robert "Doc" Wilson celebrated their 25th wedding anniversary at a dinner dance at the Moose Lodge, hosted by Mr. and Mrs. David Clutts, a brother-in-law and sister of Mr. Wilson, and Mr. and Mrs. Alan LeMaster, friends of the honorees.

Mr. Wilson and his wife, Doris, were married on Sept. 3, 1955, in Corinth, Miss. Attending the couple were Mr. and Mrs. Earl Tony.

They have two sons, Keith and Bruce both of Granite City, and also have one grandchild.

Mr. Wilson is an employee of Union Electric and Mrs. Wilson works for R. W. Harmon School Transportation Co.

Mrs. is the daughter of Mr. and Mrs. Homer Jordan and her husband's parents are Mr. and Mrs. Earl (Dorothy) Jones.

A tiered cake was presented to the couple by Barbara Riggs and was appropriately decorated with silver leaves and topped with the traditional 25 numerales.

A wishing well was the gift table centerpiece and the hall featured streamers and bells, edged in silver. Pictures were taken throughout the evening by Mr. and Mrs. John Tanner and were given to the honorees.

Phil Baker and Band provided music and entertainment for the evening. Miss Karen LeMaster attended the guest book. Out of town guests included Mr. and Mrs. Phil Spradley of Imperial, Mo., Mr. and Mrs. Steve Busiek, Pevely, Mo., and Mr. and Mrs. Dennis Kempf, Columbia, Ill., Charles Emmer and Teri, Collinsville, Mr. and Mrs. Jon Lyster and Mr. and Mrs. Jerry Curran, all of Edwardsville, Mr. and Mrs. Dale Mowery of Tammis, Ill., Mr. and Mrs. Lester Hawkins and Mr. and Mrs. Ken Zieres, all of St. Louis, and Mr. and Mrs. Upton Gardner of Troy.

Jr. Service workshop set

Mrs. Faith Holsinger, president of the Granite City Junior Service Club, announced a federation workshop is scheduled for Oct. 18, in Collinsville, at the September meeting of the club.

Members met at the Namekoni United Methodist Church, for the initial fall session. A report was given on the donation of crayons and coloring books sent to the children's department of St. Elizabeth's Medical Center.

Mrs. Betty Nighoshian reviewed the couples night out which was a dinner meeting at Fairmont Race Track during the summer. Events discussed at the September board meeting held in the home of Mrs. Rotos Ann Bates were reviewed by the president who also accepted a change in the club by-laws.

Those attending were Donna Price, Paula Weaver, Linda Gordon, Sue Riess, Donna Polivick, Donna McBride, Karen Niebur, Florence Curran, Gail Miller, Donna Sprankle, Wilma Edgerton, Rose Ann Bates, Brenda Weckner, Sarah Repp and Joan Wachter.

Chapter KU names meeting delegates

A discussion on attending the Metro-East Round Table meeting on Oct. 4 in Fairview Heights, was the highlight of a meeting of Chapter KU, P.E.O. Sisterhood, last week. Members met in the home of Mrs. Mary Hemphill, 2237 Watern Ave.

Those named to attend the annual session at Illini Federal Savings and Loan, were Mrs. Hulda Davis, president, and Mrs. Joanne Kraus and Mrs. Mary Mullen. Refreshments were served by the hostess to a former member and guest at the session, Mrs. Angie Mathis Hutton of Aiken, S.C., and members, Bonnie Aikin, Ruth Ann Bartels, JoAnn Burckley, Fay Carlisle, Bessie Coolidge, Judith Dew, Velma Eriksen, Mary Hemphill, Barbara Houston, Joanne Kraus, Ila Maxton, Evelyn Maxwell, Ruth McCarthy, Mary Mullen, Elizabeth Rasmussen, Mary Robinson, Beth Spengler, Mary Jo Thrane and Eunice Witter.

MR. AND MRS. ROBERT WILSON of Granite City were honored on their silver wedding anniversary at a dinner dance held at the Moose Lodge, 19th and Adams Streets.

Bethel Free Church to sponsor program

Bethel Evangelical Free Church is sponsoring a new program for girls ages six through 15, to be known as Pioneer Girls. Club meetings beginning Wednesday, Oct. 1, at 7:15 p.m. in the Christian Education Building of the church, which is located at Maryville Road and Stratford Lane in Granite City. Meetings will be every Wednesday night from 7:15 to 8:45 during the school year.

Pioneer Girls is a Christ-centered girl's club program sponsored by the local church. It was incorporated as a non-profit service organization in 1943. The program is used by evangelical churches in the United States and Canada and stands for the basic tenets of the Christian faith. Any girl may join the Pioneer Girls if she is in the first through the ninth grade. Bethel is sponsoring four club programs for the different age groups: Voyagers — grades one and two; Lavaliers — grades three and four; Trailblazers — grades five and six; and Shikari — grades seven through nine.

Variety is the key word to describe what happens in club. Meetings will include crafts, games, badminton, camp Bible study, singing, retreats, parties, cookouts, Bible memory, field trips, new skills and service projects. Cost will be \$2 for registration fees, and \$3 for Voyagers or \$4 for Lavaliers, Trailblazers and Shikari handbooks.

All materials for girls and leaders aim to make Christlike living a natural, realistic way of life. Club activities are designed to present Christ as Savior and Lord and to promote social, physical, mental-emotional and spiritual growth. The Bible is foundational to all curriculum.

For more information about the new Pioneer Girls program at Bethel Church, contact Mrs. Kathryn Perry at 876-7232.

Salon earns state awards
The Madison County Salon 53 of the Eight and Forty met at the American Legion Home in Alton, last week with Mrs. Audrey Krick, Chapeau, presiding. A report was made on the Departmental LaMarche (convention) held in July at Springfield, Ill. Salon 53 received a state award for having donated the most money per member for the Nurses Scholarship Program, and an award for the best pages for the Chapeau's Photo Book on the salon's activities last year, Mrs. Krick announced.

Donations were made to the Nurses Scholarship Program and to the following children and youth programs, Departmental Chapeau's special project which is a bed dedication at National Jewish Hospital in Denver, Colo., the National Chapeau's project at National Jewish Hospital; and to the American National Child Welfare Foundation for research in tuberculosis, cystic fibrosis, and lung diseases.

Plans were made for the fall souvenir board meeting to be held Oct. 11 and 12, at Oakbrook, Ill. A social hour with refreshments and games followed. The hostesses were Mrs. Marie Leffer and Miss Fannie Ulrich of Alton. Those attending from this area were Miss Dorothy Hinson, Mrs. Grace Hornmann, Mrs. Frances Cowley and Mrs. Mary Ballentine.

Homemakers hear Catherine Mauck

"Economic Value of the Non-Wage Earning Homemaker" was presented by Mrs. Catherine Mauck, Madison County Home Advisor, at the home of Mrs. Joanna Spencer, 3204 Newell Drive.

After the pledge of allegiance and Mrs. Mauck's lesson Mrs. Martha Leavell, first vice-president, gave her report. Minutes were read by Mrs. Dianne Gebhardt, Mrs. Arla Ault, unit chairman, presided over the business session and the treasurer's report was given by Mrs. Sylvia Massman.

Creative Homemakers new member drive is currently in progress and the goal is to enroll a minimum of two new members. The 4-H report was given by Mrs. Spencer and Cultural Arts Chairman Sue Brinkhoff reported on new crafts learned at a recent workshop.

Wheat weaving and woven reed baskets will be taught at a future craft day and at the Sept. 29 craft lesson, to be held in Edwardsville, pine cone wreaths, needlepoint bell pulls and macrame will be featured.

Interested persons should contact Mrs. Karen Helson for more information. The home selling bakery is being circulated again and members were reminded to move the basket to the next member within a two week period, by Mrs. Spencer. International Day will be observed at the Farm Bureau building on Oct. 8 from 10 to 2:30 with the Illinois state president giving a talk on her recent trip to Germany. As there will be no regular meeting in November members are urged to attend the South West District meeting to be held at Hope Lutheran Church on Monday, Nov. 17. This year's program will be "Figure Flattery" and several members volunteered to serve as models to represent the unit.

The next meeting will be held on Oct. 20 at the home of Nancy Chast, 2414 Woodlawn Ave. A guest in attendance was Mrs. Jane Parkinson. Refreshments were served by Mrs. Arla Ault and Mrs. Spencer to Mrs. Judy Baker, Mrs. Sue Brinkhoff, Mrs. Dianne Gebhardt, Mrs. Martha Leavell, Mrs. Sylvia Massman, Mrs. Karen Helson, Mrs. Judy Propes, and Mrs. Gene Zinn.

Mrs. Goldenberg will lead Women's Division

The Women's Division of the Tri-City Area Chamber of Commerce held its September meeting at Alexander's. Mrs. Shirley Adams gave the thought for the day prior to the dinner and Mrs. Bonnie Goldenberg, chairman of the Women's Division, introduced the speakers.

Jim Hudson, manager, and his daughter, Mrs. Kathy Hubbard, assistant manager of the downtown Hudson Jewelry Store, gave a jewelry demonstration. They informed the group of the rise in value of jewelry and told of the "in" look for fall.

Mrs. Ruth Brown was the co-chairman of the meeting. Permanent name-tags were purchased for the past presidents and presented to those present. Mrs. Jo Meyer, Mrs. Emylee Alford and Mrs. Lois Winter, as well as to the retiring president, Mrs. Jeanette Scannel.

President Scannel conducted the business meeting, during which election of officers was held. Elected were: president, Mrs. Bonnie Goldenberg; vice-president, Mrs. Shirley Adams; treasurer, Mrs. Beverly Partney; recording secretary, Mrs. Tina Thomas; and for a two-year term on the board of directors, Mrs. Shirley Adams and Mrs. Jacque DeWitt.

Named historian was Mrs. Barbara Mihalich, and appointed to the board of directors to fill the one-year remaining term of Mrs. Elinor Nichols, who resigned, was Mrs. Mary Matosian.

The officers will be installed at the annual meeting of the Chamber of Commerce on Oct. 23 at Sunset Hills Country Club.

Mrs. Jo Meyer, chairman of the Beautification Committee, announced the sale of tulip bulbs again this year. There are four types of bulbs, and their colors are red, yellow, deep satin rose and pink.

The bulbs come in packages of 20 at a cost of \$5. Orders will be taken at the Chamber office, 876-6400.

Attending the meeting were Mesdames Linda Dickerson, Linda Badger, DeWitt, Linda Hasse, Sandy

Cooper, Jane Ashal, Carol Kumar, Bess Weiss, Vivian Gierlach, Mablach, Brown, Nigel Maeras, Pauline Lauching.

Mesdames Peggy Milton, Fountain, Matosian, Norma Kachigian, Beverly Partney, Mary Jesse, Carolyn Smith, Thomas, Barbara Duffin, Winter, Adams, Jean Orr, Shirley Blasingame, Barb Wyatt.

Mesdames Joyce Mitchell, Thelma Baker, Char Lee Baldwin, Lela Gunning, Gail Gargac, Rosalie Stern, Ollie Derr, Meyer, Alford, Goldenberg, Scannel, Norma Schroeder, Shirley Cunningham and Barb Cunningham.

DONATION of \$100 for St. Peter's School for the Young Years is presented by Mrs. Richard Brinkhoff, right, to Mrs. Cal Bartels, chairman of the school. The contribution was given on behalf of the Evening Women's Guild of the church.

MADISON CHAPTER of Future Secretaries Association elected officers for the 1980-81 school year at its first meeting of the season. Front row from left, Carla Brooks, vice-president, Lisa Honorable, treasurer, Debra Howard, board member, Carol Brooks, corresponding secretary. Back row, Mary Leadlove, recording secretary, Terri Smith, president, Anita Blumh and Lois Miller, both board members.

Madison FSA elects officers

Madison Chapter of Future Secretaries Association met last week at the school for the purpose of electing officers for the new year, with chapter advisor, Lee E. Ashby.

After a discussion of the returning members from last year's chapter elected the following to serve for the ensuing year.

Terri Smith, president, Carla Brooks, vice-president, Lisa Honorable, treasurer, Mary Leadlove, recording secretary, Carol Brooks, corresponding secretary, Anita Blumh, Debra Howard and Lois

Miller, board members at large. The remainder of the meeting included discussions on educational programs available to the chapter for each meeting. Each member was asked to bring suggestions for the next meeting they think would be most beneficial to the chapter and future employment.

Drusilla Chapter aids two Indian colleges

Miss Mary Candler and Mrs. Ruth McCarty presented the afternoon's program, a narrated slide presentation of "West Coast Indian Crafts and Artifacts" for the weekend meeting of Drusilla Andrews Chapter of the Daughters of American Revolution.

Ten members attended the session held in the Chinney Room of Burns Cafeteria. Regent, Mrs. Emma Schoen, led the opening ceremonies and the pledge of allegiance to the flag with Mrs. Ruth McCarty serving as the chaplain for the year. Mrs. Florence Simpson read the monthly President General's message and Miss Ella Ray Smith discussed National defense topics.

Mrs. Simpson gave a short report on Constitution Week

which was celebrated nationwide from Sept. 17-23. She distributed two pamphlets to each member, which discussed various aspects of the U.S. Constitution.

Miss Candler, the chapter's American Indian committee chairman, received tribute from the group. Donations voted to be sent to the two Indian colleges. Bacone in Oklahoma and St. Mary's School for Girls in South Dakota — will be transmitted in her honor. A final vote on additional donations for the year was postponed until the October meeting.

Other members attending besides the above-named were Misses Nelle Hart and Eva Kenfro and Mesdames Margaret Belt, Barbara Williams and Janet Wilson.

Educational secretaries hold initial meeting

The Granite City Association of Educational Secretaries held their first meeting of the 1980-81 year at Granite City High School-South on Monday evening with 20 members present.

The business session was presided over by the President Mrs. Pat Uzunoff, Key Punch Operator in the Data Processing Office. Program plans for the year were presented and the budget was adopted.

B. J. Davis, superintendent of schools, reviewed the need for approval of a bond issue of \$2,900,000 and an increase in the Building Fund tax rate of 10 cents. He concluded his

remarks by urging the secretaries to vote "Yes" on Oct. 25 and to urge their neighbors and friends to cast a "yes" vote on both issues. Dennis Dahey with the assistance of a student, Richard Dowdy, demonstrated the use of the new printed shop equipment.

Mrs. Arlene Smith, secretary in the Vocational Education Office, was chairman and hostesses Dorothy Luckert, Arlene Smith and Irene Hatcher, secretaries at South High School served refreshment.

During the social hour, there was a discussion on the bond issue and a poll was taken which indicated they favored supporting the bond issue.

Mom's Morning Out program will be returning to 'Y'

Mom's Morning Out will be returning to the 'Y' this fall with classes scheduled for 4- and 5-year-olds on Wednesday and for 3-year-olds on Fridays. Both classes will meet from 9 to 11:30 a.m. for four weeks, and start the week of Oct. 6.

Christine Stack supervises the program which includes crafts, music, games, story hour and snack.

The cost for YMCA members is \$10 and \$15 for non-members.

Also included in the 'Y's' pre-school program for the fall will be a kindergartners class for 3-5-year-olds.

Kindergartners will meet on Tuesdays and Thursdays from 9 to 9:45 a.m., beginning Oct. 7, and will also be instructed by Stack.

"This class is designed to teach basic motor skills and coordination while having a good time," said Lucy Tueth, the 'Y's' program director. It will also be followed by an optional swim class from 9:45 to 10 a.m., she said.

Registration is being taken now at the 'Y' for both classes and is open until one week prior to the first class. For more information Quadcitians may contact Lucy Tueth at 876-7200.

Youth arrested after shot fired

Kenneth A. Crone, 17, of 1932 Benton St., was charged with disorderly conduct after a disturbance in which a gunshot was fired the 1700 block of Delmar Avenue at 6:25 p.m. Saturday.

Warren police officers served on him alleging criminal damage to property and two counts of aggravated assault.

Police were told that a gunshot had been heard from 1739 Delmar Avenue and when officers investigated, a 16-year-old alleged that Crone had aimed a gun at him, then fired the gun in the air.

Crone and a witness alleged the 16-year-old had displayed a knife in a threatening manner, but had dropped it.

The discharges stemmed from a guitar the 16-year-old allegedly stole from another apartment at

OFFICIAL PUBLICATION

NOTICE OF PROPOSED CONSTITUTIONAL AMENDMENT

Pursuant to law public notice is hereby given that the following proposed amendment to the Illinois Constitution will be submitted on a separate blue ballot to the electors of the State of Illinois for adoption or rejection at a General Election to be held on November 4, 1980.

PROPOSED AMENDMENT TO SECTION 1, 2 AND 3 OF ARTICLE IV

(Proposed changes in the existing Constitutional provision are indicated by underscoring all new matter and by crossing with a line all matter which is to be omitted.)

ARTICLE IV

LEGISLATURE

Section 1. The legislative power is vested in a General Assembly consisting of a Senate and a House of Representatives, elected by the electors from 59 Legislative Districts and 118 Representative Districts.

SECTION 2. LEGISLATIVE COMPOSITION

(a) One Senator shall be elected from each Legislative District immediately following each decennial redistricting, the General Assembly by law shall divide the Legislative Districts as equally as possible into three groups. Senators from one group shall be elected for terms of four years, four years and two years; Senators from the second group, for terms of four years, two years and four years; and Senators from the third group, for terms of two years, four years and four years. The Legislative Districts in each group shall be distributed substantially equally over the State.

(b) Each Legislative District shall be divided into two Representative Districts. In 1982 and every two years thereafter one Representative shall be elected from each Representative District for a term of two years. Each Representative shall be elected from each

legislative District for a term of two years. No political party shall limit its nominees to those seated candidates for Representative in any Legislative District. Representatives, including those for nomination, each elector may cast three votes among no more than three electors, one vote shall be cast for the elector with the highest number of votes shall be declared elected.

(c) To be eligible to serve as a member of the General Assembly, a person must be a United States citizen, at least 21 years old, and for the two years preceding his election or appointment a resident of the district which he is to represent. In the general election following a redistricting, a candidate for the General Assembly may be elected from any district which contains a part of the district in which he resided at the time of the redistricting or reflected if a resident of the new district he represents for 18 months prior to the election.

(d) Within thirty days after a vacancy occurs, it shall be filled by appointment as provided by law. If the vacancy is in a Senatorial office, the Commission shall fill the vacancy from among the members of the General Assembly who remain in the term, the appointed Senator shall serve until the next general election, at which time a Senator shall be elected to the vacant office for the remainder of the term. If the vacancy is in a Representative office, the Commission shall fill the vacancy from among the members of the General Assembly who remain in the term, the appointed Representative shall serve until the next general election, at which time a Representative shall be elected to the vacant office for the remainder of the term.

(e) No member of the General Assembly shall be appointed to a public office which shall have been created or the compensation thereof has been increased by the General Assembly during that term.

SECTION 3. REDISTRICTING

(a) Legislative Districts shall be compact, contiguous and substantially equal in population. Representative Districts shall be compact, contiguous, and substantially equal in population.

(b) In the year following each Federal decennial census year, the General Assembly by law shall redistrict the Legislative Districts and the Representative Districts. If no redistricting plan becomes effective by June 30 of that year, a Legislative Commission shall be created not later than July 10. The Commission shall consist of eight members, no more than four of whom shall be members of the same political party. The Speaker and Minority Leader of the House of Representatives shall each appoint to the Commission one Representative and one person who is not a member of the General Assembly. The Commission shall submit a redistricting plan to the Governor. The Governor shall have the authority to make the original appointment. A Chairman and Vice Chairman shall be chosen by the majority of all members of the Commission.

Not later than August 10, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members. If the Commission fails to file an approved redistricting plan, the Supreme Court shall submit the names of two persons, not of the same political party, to the Secretary of State. The Secretary of State shall publicly draw by random selection the name of one of the two persons to serve as the ninth member of the Commission.

Not later than October 5, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members. An approved redistricting plan filed with the Secretary of State shall be presumed valid, shall have the force and effect of law and shall be published promptly by the Secretary of State.

The Supreme Court shall have original and exclusive jurisdiction over actions concerning redistricting the House and Senate, which shall be initiated in the name of the People of the State by the Attorney General.

TRANSITION Each Federal decennial census year, the General Assembly shall take effect the day following its passage shall govern the Primaries and the General Election to be held in 1982 and thereafter.

Private Hinkle ends training

Marine Private Charles E. Hinkle Jr., the son of William D. and Wanda S. Gonzalez, 22 Fairway Estates, Arlington Heights, has completed recruit training at the Marine Corps Recruit Depot, San Diego, Calif.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards of the Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close-order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

Higher minimum on school supply bid competition

By BILL WINTER
of the Press-Record

The dividing line between purchasing and bidding competition in the Granite City school district was increased from \$150 to \$400 in a policy change by the Board of Education last week.

The action reflects the impact of economic inflation, Supt. B. J. Davis said.

The state law affecting school districts specifies that bids must be sought above \$2,500. Present levels include \$1,000 in Collinsville schools, \$2,000 at Alton and \$2,500 in the Wood River, Highland, Roxana, Triad and Worden districts.

As revised, the Granite City school policy relates that the board "believes in sound financial management." The solicitation of telephone quotes and competitive bidding of materials, goods, supplies and equipment is one means of insuring this type of management.

"All such items costing less than, but not more than, \$400 can be awarded by the administration on the basis of competitive telephone quotes, unless special purchase or emergency expenditure is authorized or ratified by the Board of Education."

"All telephone quotes must be documented as to the vendor called and the amount quoted."

"All items costing in excess of \$400 must be purchased on a sealed bid basis unless special purchase or emergency expenditure is authorized or ratified by the board."

"Specifications for telephone quotes and sealed bids shall be given or sent to vendors who request such quotes and/or bids, and to such other vendors as may be selected by the district."

"Competitive bids shall be tabulated by the administration and presented to the board with recommendations for action."

Award of phone quotations and/or competitive bids shall be made to the most responsive bidder and based upon price, quality, services and/or other factors that would be most beneficial to the district."

"When it is anticipated that quantities of items quoted or bid may be increased over original estimates, the quotes or bid sheets shall ask for quotations in various size lots."

Another policy change approved by the board Tuesday night updates fees and regulations governing athletic ticket sales and admissions.

At the South and North high schools, student activity tickets will cost \$7 per student, providing admission for both girls' and boys' events.

Student single session admissions, for home and visiting students with proper identification, will be \$1 each for boys' basketball, football, wrestling and soccer and 50 cents each for girls' basketball and volleyball.

For adults attending high school varsity athletic events, single session prices will be \$2 for boys' basketball, football, wrestling and soccer and \$1 for girls' basketball and volleyball.

Sale of adult season tickets for girls' events is being studied for possible future implementation.

Regarding adult season tickets for boys' contests, non-reserved seating will cost \$1.25 times the number of basketball, football, wrestling and soccer events.

Reserved seating tickets for adults at basketball and football games will cost \$1.25 times the number of contests, plus \$2.

For those two sports, season tickets offering reserved and personalized seating will be \$1.25 times the number of games, plus \$7.

At the Coolidge, Prather and Grigsby high schools, admission fees will be charged for boys' junior high athletic events when held at the school's conference schedule, a special tournament, or an individual non-conference event involving school sports.

OIL AND CHIPS are spread at the intersection of 17th Street and Grand Avenue as an extensive street resurfacing program begins. More than 13 miles of city streets will be oiled and

chipped this week using 50,000 gallons of oil. The worst streets in the city are to be done first. Then others needing a new surface will be done before the winter season.

Weather troubles plagued Bell system during summer

The summer of 1980 is finally over, and none too soon for 3,000 storm-weary Illinois Bell employees, according to Carl Fryk, district manager of distribution facilities maintenance for Illinois Bell, who says he can't remember a time — even during the blizzard and floods of 1979 — when there's been as much cumulative damage to telephone facilities in one season. And Fryk has worked for the telephone company 33 years.

The "trouble" started about June 20, just before the first day of summer, and continued almost non-stop for 12 weeks. An estimated 28 separate lightning, wind or rain storms ripped through the state increasing Illinois Bell's cable repair workload to three or four times its normal size.

According to Fryk, the only redeeming factor was the relatively small percentage of Illinois Bell customers — about 1.5 percent — who were actually out of service as a result of the storms. He attributes that to the company's two-year effort at upgrading the condition of all cables and terminals in the state, and an ongoing program to put the majority of Illinois Bell's 70,770 miles of cables under the ground.

Still, about 50,000 people were out of service for several hours or — in some cases — even days. And Illinois Bell estimates that another 100,000 customers throughout the state were inconvenienced by noise or static on their telephone lines.

To cope with the damage, cable repair forces "borrowed" employees from construction, routine maintenance and installation work forces. But there was a limit to how long and how often that could be done.

The rest of the work had to be accomplished by requiring employees to work evening and weekend hours, and relying on the ability of veteran workers to identify and repair problems quickly.

Fryk said most employees assigned to cable repairs have 10-40 years of experience, and that experience really comes in

handy on complicated repair work. Lightning damage, in particular, was difficult to restore because a bolt can skip across a cable leaving virtually no visible sign of a problem. But, inside the cable, wires may be welded together in several spots. It takes a practiced eye — and hand — to determine what needs to be done.

Except for lightning burns, most cables had only minor damages, each affecting three or four customers. The difficulty was that there were so many of them, and they were hard to find.

"Normally," Fryk said, "Illinois Bell can move crews from one location to another when a storm hits an area."

But by the end of the summer, there was no place in the state that didn't have problems. Cable problems were scattered almost evenly throughout Illinois Bell territory.

And no sooner would repairs be completed than another storm would move in to undo the work.

Fryk said employees throughout the state had to sacrifice camping trips with their families. Sunday picnics, ball games and many other forms of relaxation were out with summer. Instead, they spent evenings and weekends climbing poles, splicing wires and swatting mosquitoes.

The SIUE department of art has also opened an additional class for Basic Studio (ART 100a) which is open to Educared holders. This course introduces the student to some of the various approaches to drawing, utilizing several media. Classes will meet on Mondays and Wednesdays from 6:30 until 9:30 p.m. at the Wagner Complex.

Information on other courses offered through the Educared Program is available by calling the Office of Continuing Education, 1-682-3210.

For a minimal fee, individuals may enroll in as many selected courses as they choose during a single quarter, on a space-available basis.

Avocational Painting (ART 660) permits persons who are not interested in art as a major to explore painting and drawing media. Emphasis is placed on individual development of an understanding and appreciation of painting media through direct experience in painting.

Avocational Ceramics (ART 651) is an introduction to ceramics. A hands-on experience, the course contains a variety of experiences, including coil-building, extruding and constructing. Participants are introduced to a variety of firing techniques, such as primitive, pit, raku and salt firing.

Airman Harvey in Philippines

Airman William H. Harvey Jr., the son of William H. Harvey Sr., Florissant, Mo., and Louise I. Harvey, 3805 Village Lane, has graduated from the U.S. Air Force security police specialist course at Lackland Air Force Base, Tex.

Graduates of the course studied security and law enforcement and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Airman Harvey will now serve at Clark Air Base in the Philippines.

Anyone interested in the education of Gifted Children is invited. For further information call the School Board Office at 876-6600 or 877-6763, according to Mrs. Dathleen Dauer, secretary.

Steven Allen Martin, son of Mrs. Loretta Mitchell, 2622 Sheridan Ave., has enlisted in the U.S. Air Force.

Upon graduation from the Air Force's six weeks basic military training, will receive training in the mechanic career area. He is a 1979 graduate of Granite City High School South.

He will be earning credits toward a two-year associate degree in applied science through the Community College of the Air Force while attending basic and other Air Force technical training schools.

These classes are taught on Saturday mornings from 8:30 a.m. until 12:30 p.m. at the Wagner Complex.

For a minimal fee, individuals may enroll in as many selected courses as they choose during a single quarter, on a space-available basis.

Gulley to teach banking course

In response to many requests that classes be conducted in Granite City, the St. Louis Chapter, American Institute of Banking, will offer a class in Granite City High School South.

Dennis Gulley, assistant vice-president of Granite City Trust and Savings Bank, was selected as a member of its faculty and will teach the course entitled "Principles of Banking."

Additional courses will be added to the program in the near future. At the present time, bank employees from Madison County are enrolled in the first class.

The institute is the largest adult educational organization in the United States. The purpose of the A.I.B. is to provide special education for persons employed in the banking industry.

The Granite City Council for Gifted Children will hold its first meeting of the 1980-81 school year on Monday, Sept. 29, from 7-9 p.m. at Parkway School, 3200 Maryville Road.

The council has announced the officers for the year as Lee Reid, president; Phyllis Ryan, vice-president; Kathy Dauer, secretary; and Dee Slawoff, treasurer.

A general business meeting will be held to plan the year's activities followed by specialized programs for both the adults and identified gifted children present. The parents of the identified gifted children who participate in the various programs in each school are particularly invited since the council is geared to parenting these special children.

Anyone interested in the education of Gifted Children is invited. For further information call the School Board Office at 876-6600 or 877-6763, according to Mrs. Dathleen Dauer, secretary.

Airman Hart ends basic training

Airman David M. Hart Jr., the son of Linda M. Hart, 2209 E. 24th St., has completed Air Force basic training at Lackland Air Force Base, Tex.

The airman, who is remaining at Lackland for specialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations.

Completion of this training earned individual credit toward an associate degree in applied science through the Community College of the Air Force.

His father, David M. Hart Sr., resides in Taylorville, Ill.

'Y' scheduling fitness classes for women, seniors

Women's and senior citizen fitness classes are scheduled to begin new sessions the week of Oct. 6 at the Tri-City Area YMCA.

Included in the Y's fall fitness program are classes in swimming, yoga, cardio-vascular fitness and aerobic dance.

Ellen Wilson teaches senior citizen fitness classes which emphasize flexibility and muscle toning. Classes meet on Mondays and Thursdays from 9 to 10 a.m. at the Anchorage Recreation Center. The Y pays costs \$4 per month. There is no charge for the Anchorage class.

Lee Suarez and Nancy Halvachs teach swim-nastics, exercises in the pool with open swim included. Lee Suarez's class meets on Mondays and Wednesdays from 9 to 9:45 a.m., and Nancy Halvachs teaches on Tuesdays and Thursdays from 9 to 9:45 a.m. The cost is \$2 per four-week session, for Y members, and \$12 for non-members.

Nancy Halvachs also teaches a swim-exercise class for senior citizens on Friday mornings from 9 to 10. The cost is \$2 per month.

Cardio-vascular fitness for women is instructed by Theresa Pashea. The class meets on Monday and Wednesdays from 7 to 8 p.m. and includes a running program. The cost for Y-members is \$2 per month and \$12 for non-members.

Noon fitness and yoga is taught by Ellen Wilson on Mondays, Tuesdays and Thursdays from 12 to 1:15 p.m. This class also costs \$2 for Y members, and \$12 for non-members.

Four different aerobic dance classes are scheduled for October. They meet on Monday and Wednesdays from 10 to 11 a.m., Monday and Wednesdays from 7 to 8 p.m., Tuesdays and Thursdays from 7 to 8 p.m. and

Assigned to Chanute Base

Airman First Class Marilyn J. Boner, the daughter of Arlene M. Boner, 2388 Sheridan Ave., has been assigned to Chanute Air Force Base, Rantoul, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Tex. She studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

She will now receive specialized instruction in the fuels specialist field.

House Burglary: Dixie Farris, 1813 Market St., Madison, reported to police that money and jewelry with a combined value of \$250 has been taken from her residence. A forced entry was made on the north side of the house.

Cards of Thanks 31 THE FAMILY OF LUENA HILL wishes to thank Rev. Gailher, Bethel Chapel Church, singers Norma Anderson and Wanda Anderson, pianist Ruth Gailher, organist Janet Blackwell, reading of the obituary by Ruth Markham, pallbearers Clarence A. Allen, Larry Blackwell, Allen Charbonnier, Philip Meford, Glenn Mefford, Arthur Lawell, St. Elizabeth's Medical Center, Dr. Melvin Freedman, Mr. and Mrs. Golf, the staff at Colonnades Nursing Home and all the friends and relatives for the flowers, food, cards, visits and especially your prayers. 31 9 29

WE WISH to thank all our friends and neighbors for their kindness flowers and food during the loss of our dear mother, grandmother, great-grandmother and sister, EDNA C. WOOD. Special thanks to Rev. Gailher, Ladies of Bethel Chapel, Mercer Mortuary, especially Ron Koenehan for his thoughtfulness at our time of sorrow. — The Family. 31 9 29

Memorials 33 IN LOVING memory of GARLEN F. HANKINS, Sept. 30, 1920. Sadly missed by His Family. 32 9 29

IN LOVING memory of BEN JAMIN L. ROSWORTH JR. — Sadly missed by all. 32 9 29

IN MEMORY of CLARENCE W. COX JR., Sept. 29, 1978. Time speeds on, two years have passed, since death its gloom, its shadow, cast. Within our home where all seemed bright, and took from us a shining light. We miss that light and ever wish his vacant place there is none to fill. Down here we mourn, but not in vain, for up in heaven we will meet again. — Sadly missed by Wife, Daughter, Mom and All Who Loved Him. 32 9 29
